# EUCLIDIAN

## A YEAR OF CHANGE

Euclid Senior High School  
711 East 222 Street  
Euclid, Ohio 44123  
Volume 37

# Changing

**W**hen Euclid High School opened its doors to the 1985-86 school year, changes were very evident in many areas. Through learning and growing together, everyone has a different outlook on life and new de-

cisions to make. This year the 86-pack, the first freshmen class at Euclid, will graduate.

-M. Mihalick

*BOTTOM RIGHT:* The noble D. Mannello defends Homecoming Queen, Sharon Berke from the vicious ballons. *FACING PAGE BOTTOM RIGHT:* A. Husarik holds on for dear life during the Homecoming festivities. *TOP RIGHT:* C. Ramlow, M. Loparo and D. Mannello watch the Homecoming game intensely. *BOTTOM LEFT:* L. Frasher, D. Lucci, J. Coy, K. Balogh, K. Nickel, M. Muscarella, S. Sezun, A. Yuhas and M. Mihalick have obviously not eaten the cafeteria food yet.

# Diversity

Uclid High School experienced many changes in the past year. Among the changes were the new faculty members, a new ninth grade Unit Principal and two new ninth grade counselors. The Physical Education Department put an end to co-ed gym classes in an attempt to have more girls participating in class. The Foreign Language Department also adopted a new policy. Third year foreign language students were permitted to take their foreign language as an honors class. The changes were not confined to school policies or faculty, however. The building itself underwent a change when the chimney was shortened due to its deterioration.

J. Sterbank

**UPPER LEFT:** The new faces of Coach Banc and the freshmen cheerleaders help psyche up the student body at a pep rally. **UPPER RIGHT:** A change very visible on the outside of EHS was the lowering of the smokestack—an architectural wonder. **LEFT:** Mr. Forest, who's new at EHS this year, thinks about the diversity of his new "home," and smiles. **ABOVE:** Senior J. Bukovec often sits in study hall and discusses her goals with friends like juniors, M. Allay and S. Wagner.

Bukovich. *LEFT:* The dancing bear makes the scene. *ABOVE:* L. Papouras, P. Thomas, K. Neve and J. Mervar show their diversity. *RIGHT:* Football player, S. Lah is proud he is a Panther and not a Viking.

# Student Life

**T**hrough clubs, activities, education and sports, the student body expressed itself in many different ways. Changes took place that made Euclid a better place to be. Challenges were faced and many new friendships were made through the academic and social areas of student life.

-M. Mihalick

**TOP RIGHT:** Euclid High School students, T. Cvijanovic, S. Cooney, S. Tassone and R. Pittcock have an unusual way of studying in the cafeteria. **ABOVE:** D. Miller, A. Yubas and K. Konrad express their excitement for Marching Band practice.

LEFT: D. Mc Peek rests after a hard day of Marching Band practice. ABOVE: A student contemplates escape from the monotony of student life. ABOVE RIGHT: K. Rees, S. Cooney, S. Porter, D. Lyon, A. Ochoa, N. Mann and S. Berke are always very productive during their study hall. RIGHT: M. Mason and D. Segulin stare in amazement at their chemistry experiment.

# *Let's Go Dancin'*

## *Euclid's Dances Give Students A Chance To Socialize*

**W**hen the last bell rings at 2:35 p.m. on a Friday afternoon, Euclid students unload the books and start planning their two days of freedom and celebration. The common forms of entertainment such as movies, sports events, parties, and concerts are still popular with Euclidians. Going to a show was always a fun way to spend a Saturday night with friends, but with the cost of a movie up to \$5.00

a ticket, people are looking for cheaper entertainment. That's where school sponsored activities come in. Dances, sports events, and concerts are usually priced with the students' financial situation in mind. In keeping within their budgets, seniors Chris Papouras and Scott Niemec are content to "mellow out with O.M. and relax" on a Saturday night.

Whether students are hungry or

looking to socialize, one can usually find a crowd of EHS students at one of the "in" eating facilities such as McDonald's, Wendy's, Taco Bell or a wide variety of pizza places.

Parties are always a fun experience and are free to those who attend. Socializing, watching MTV, shooting pool, or listening to the stereo are the usual activities at house parties.

-N. Jalovec

*Forever Pairs* Far Left: S. Lah contemplating a fun time at the upcoming dance. Left: M. Miha-  
lick asking L. Zablotney if she'll be at the dance.

of Summer Dance. Top Left: S. Cooney and date at Homecoming. Top  
and Above: L. Davis, R. Howard, K. Brickman, T. Marolt, M. Goodman  
and P. Reed serving food at one of Euclid's successful dances.

# Berke Is Queen

## Football Victory Kicks Off Homecoming Weekend

**H**omecoming activities began on Friday, September 27th with an assembly in the gym announcing the candidates for the 1985 Homecoming Queen and her court. Later, in the evening, the football team beat the North Rangers 8-7 at the Homecoming game. Senior football player, Carl Cickavage, felt that the team's win made it a perfect night and added tremendously to the celebration. After the victory, the 1985 Homecoming Queen, Sharon Berke, was crowned

by the 1984 Homecoming Queen, Missy Malone. The Senior attendants were Lisa Sulik and Diane Lucci. Sophomore attendant, Tammy Donahoe, and Junior attendant, Lesley Ferrara, completed the court. A perfect ending to Friday's festivities included the release of hundreds of gold and blue balloons and a fireworks display. With Student Council's great planning and the football team's victory, Homecoming '85 turned out to be mahvelous! -M. Mihalick

*Below Left: M. Davis, M. Loparo, C. Ramlow and R. Brewer celebrate as Panthers win the Homecoming Game. Bottom Left: L. Ferrara, Junior Attendant. Middle: Mr. Lombardo and Dr. Husarik watching the Homecoming game. Right: S. Berke, Homecoming Queen, ready to take her throne. Facing Page: Far Right: L. Sulik, Senior Attendant. Middle Left: T. Vrabec and Dennis, M. Wirbel, D. Myles, M. Penko and Rich, M. Senitko, S. Sezun, E. Jaworski, M. Mason, D. Glover and D. Johnson enjoying the Homecoming Dance. Right: R. Kekić reaching for his tickets while J. Spenelli is hoping he hasn't forgotten them. Bottom Left: Homecoming candidates First Row: D. Fair, A. Vearon, S. Berke, R. Gubitosi, D. Lucci, C. Mis, P. Harris, Second Row: D. Mauser, C. Moor, Y. Donohoe, L. Sulik, D. McCourt, C. Pritchell, L. Ferrara, R. Taylor, and T. Marandez. Bottom Right: H. Diltmar and D. McCourt arriving at Homecoming.*

## Students Were 'Puttin On The Ritz

**P**uttin' on the Ritz was the 1985 Homecoming dance theme. On September 28, the E-room was transformed into a classy dance hall with balloons, ribbons, and other fancy decor.

Starting at 8:30pm and ending at 11:00pm, much slow dancing and picture taking went on. Couples' names were printed on top hats and panther blue and gold key chains were handed out. Senior Amy Su-

ponic thought that the fountain in the courtyard added a touch of class and made her evening complete. Student Council did another beautiful job on Homecoming this year.

-M. Mihalick

*FACING PAGE TOP: M. Goodman, B. Dragilas and G. Midolo ham it up during the Homecoming assembly. BOTTOM LEFT: Senior candidate S. Berke escorted by D. Mannello. MIDDLE: A. Stauffer fixes decorations at the dance. RIGHT: D. Lucci escorted by R. Uhler. THIS PAGE TOP: M. Wirbel and Dennis happily entering the dance. FAR LEFT TO BOTTOM RIGHT: H. Dittmar and D. McCourt, D. Fair and date, B. Turk and date, and M. Simmons and Jim enjoying themselves at homecoming.*

# We've Got Spirit

**A**n extra dose of Panther pride was added to Euclid's formula for school spirit this year. Blue and gold signs, buttons, and sportswear were seen everywhere from the classroom to the stadium. The student body, led by the 86-pack, supported Euclid's teams through thick and thin, making our school the best that it could be.

-M. Mihalick

**TOP:** The spirit signs are usually very creative. **MIDDLE:** M. Smith, G. Pinta, R. Grabovac, K. Lawrence and T. Wirbel watch as one of their chemistry experiments goes up in smoke. **BOTTOM:** Euclid students always radiate an abundance of spirit at pep assemblies.

**TOP:** A student has his or her choice of a lot of different kinds of spiritwear. **TOP RIGHT:** Band director A. Sydow looks on during the festive homecoming celebration.

**RIGHT:** Euclid students made a lot of supportive signs for the St. Joe's Game.

**BELOW:** Three Euclid High School students are seen taking a stroll between classes. **BELOW RIGHT:** S. Lah and D. Mannello give their support to their comrades on the gridiron while B. Strowder looks on.

# Shovin' It In

## Your Home Away From Home

**P**osters of rock stars, centerfolds, pictures of loved ones, and other decor . . . all are additions to that plain, dreary locker door in order to express each of the students' diverse personalities. Whether the owner of the locker has a picture of Bruce Springsteen or just a picture of their pet in it, students agree that their little domain in this great school is very special to them. Senior four-year locker owner, Sonya Sezun says, "My locker lets me be me!"

Some Euclid people just put mirrors in their lockers so they could check

themselves out between classes. "I like to see what I look like between classes when I'm in a hurry so I put a big mirror in my locker," claims an anonymous junior woman.

In conclusion, Euclid High School's lockers are all unique and most students are proud of them.

-M. Mihalick

Top Left: C. Pappalardo admires S. Porter's locker. Facing Page Right: S. Kobus shows off her locker. Bottom Left to Right: N. Cook, L. Tirabassi, L. Totorella, D. Tracy, C. Ladato, and S. Reno stand guard at their lockers.

# Panther Fashion

**H**ey, what's in and what's out in fads and fashion? Well, this year at Euclid High School, many people are dressing in a variety of different clothes. Colors such as pastels are still in, but prominent colors such as red, black and yellow are being seen more often. But many people prefer a mixture of colors in flowered shirts and pants. A variety of over-sized shirts are being worn mostly untucked. The paisley pattern is very much in this year, being worn in anything from

ties for men and women to blouses and pants for all. Stir-up pants are being found as both fashionable and comfortable. They can be worn with about everything.

Accompanying these "in" garments are such things as pendolets, medallions and big pins. Bracelets of all shapes and sizes are also seen on the the most fashionable Euclid women. To top it all off, pearls, long and short, rhinestone and diamond-like jewelry is worn.

Of course, the basic preppy style is still around. Wool sweaters, oxfords, boat shoes and argiles are still in for that classic look. Jocks also have their own individual tastes. The latest ones wear college sweat-shirts and "t's" and their most comfortable tennis shoes.

This 85-86 school year has many new fashion additions but some styles have stayed around to suit each student's needs and likes.

-S. Patel, M. Mihalick

*Left: Jocks, J. Scolaro, D. Gollner, L. Davis, P.J. Allan and C. Cickavage show off their Levi 501 blues. Above: Formal pair, P. Langdon and D. Mannelo are lookin' sweet. Below: K. Rees has definitely got the look. Middle Left: L. Totarella and M. Mihalick show their Panther Spirit. Bottom Left: M. Smith tries to hide his preppy face.*

# *Fright Day*

## *Personality Shines Through Creativity*

### *Bizarre Creatures Invade EHS*

**W**hat! You said that you saw an extremely large ostrich walk by your classroom! You say someone was walking on their hands through the halls! Von went back to the future in a matchbox car! What was going on here? Of course, it was only that one day of the year that students

were given the opportunity to change their habits and actually look the way that the feel about school. October 31, that one day, students were allowed to dress up in costumes and parade around Euclid High School. The enthusiasm displayed by the many students was a tribute to the nature of

wanting to be different. Even if they had home-made costumes, they were all proudly displayed. Every year there seems to be someone who sticks out among the rest. For instance, was that a student from Euclid or our foreign exchange student from Zimbabwe?

-J. Barcza & M. Ballish

Halloween Dress Up Day is enjoyed by many of the students.

Halloween

# *Working For The Weekend*

## *Part Time Jobs Are Important To EHS Students*

**M**any Euclid students have already entered the working world, even while only a junior or senior. Approximately 67% of the students are employed in some facet of work. The types of jobs are widely varied, from Mitch Sotka's expertise in shoe sales to Eric Jaworski's poolside regulation. Fast-food sales are the

most easily available part-time jobs, and the majority of working students fall into that category. McDonald's and Burger King are often frequented, not only for the services, but for the employment.

An average work load can be anywhere from twelve to thirty hours a

week and usually all weekend. According to Bernie Sauer, "a job is great because you don't have to bother your parents for money!" Employment also encourages responsibility and a sense of independence in students, and can be a very rewarding experience.

-S. Reno

Sezun balancing a bun on the end of her tongs. This page: Background: R. Rolik ringing up a sale. Top: B. Parmertor and J. D'Apollo stacking shelves. Right: M. Ospelt making sure a glass is clean.*

# Valentine's Day Ball

## Cooney And Waltermire Reign

### As King And Queen

**G**oing along with the theme of changes this year was the '85-'86 winter dance, "The Valentine's Ball". It was Euclid's first of this kind and was a big success. Another change this time was the crowning of the "King and Queen of Hearts" right at the dance, instead of having an assembly for this purpose. The ball was held on Saturday, Feb. 15, the day after Valentine's Day and the setting was one of love and romance. The E-Room was transformed into a Valentine paradise; red, pink, and purple balloons and streamers decorated the walls and ceilings. In addition to this, the couples names were written on hearts in the dance hall. Amy Waltermire was crowned "Queen of Hearts" and "King of Hearts", Steve Cooney reigned with her. A difference from last year's court was that this year, there are just a King and Queen and no attendants. All in all, Student Council did a tremendous job in planning out Euclid High School's first, "Valentine's Ball".

-M. Mihalick

Top left: Valentine Ball King S. Cooney and his date D. Pequignot. Top right: Valentine Ball Queen A. Waltermire with her date P. McLaughlin. Far right: Mr. McGuinness taking some balloons before the students take them all. Rest of pictures on this page and facing page show Euclid students enjoying themselves at the Valentine Ball.

# New Interests

## Three New Clubs Formed

### At Euclid High School

**S**everal new clubs were started at Euclid High School this year.

The Student Racial Interaction Club was sponsored by Mrs. Carrol. The club was formed to improve relations between all races of people.

The Archery Club was formed to introduce Euclid students to the sport. It was sponsored by Mr. Sibert. The club was taught at Waterloo Archery Range by Mr. Poskeviev.

The Cycling Club was formed so the students at Euclid could have fun and keep in shape at the same time. It was sponsored by Mr. Durbin. The club planned many rides, including one to Pennsylvania.

The formation of these clubs was a step forward for Euclid High School.

M. Ballish

TOP LEFT: Archery Club: C. Baggott, D. McCourt, R. Arlesic, R. Wood, D. Trbovich, M. Ballish and E. McIntosh. TOP RIGHT: M. Ballish and R. Wood getting ready to give it their best shot. Bauck, T. Austin, D. Cambell, T. Vincent, R. Dureiko and Mr. Durbin ROW 3: B. Riha, B. Maher, T. Trevarthen and J. Glubish. NOT PICTURED: M. Blasius and K. Mews

RIGHT: Student Racial Interaction Committee: ROW 1: D. Lomax, T. Hawthorne, S. Fannin, T. Oatman, J. Harvey, C. Alvis, C. Castro, A. Ochoa, M. Yee, C. Williams ROW 2: M. Pope, F. Richardson, J. Hopkins, L. Hudson, L. Etheridge, A. Gamber, L. Adams, R. Williams, L. Whitlow, S. West, B. Schafer, R. Shimko ROW 3: C. Schultz, D. Fair, B. Perko, J. Hayes, L. Mitchel, J. Allen, A. Jenkins, C. Laudato, J. Scipio ROW 4: D. Walton, Ms. Carroll, S. Johnson FAR RIGHT: C. Baggott and R. Wood discussing archery with Mr. Poskeviev.

# Learning Office Skills

**JUNIOR O.O.E.A.** Row 1: C. Probst, K. Radaker, M. O'Neill, L. Leonard, V. Tuskes, T. Marolt, K. Bezdek, S. Flowers Row 2: M. Mujic, J. Mayerhofer, T. Yanko, J. Durbin, N. Santa, K. Benedom, D. Conklin Row 3: S. Mikulec, P. Markuz, M. D'Onofrio, B. Prontkowski, K. Kearns, A. Jaffe, C. Lawrence, D. Ritchie, S. Skula, J. Shusky, C. Treber, R. Hayden Row 4: M. Bleigh, K. Benscoter, L. Dushaj, S. Brafton, C. Cinkole, T. Littlejohn Row 5: K. Werry, D. Steeves, R. Tonn, S. Grgincic, M. Belas, P. Kobertitsch, C. Naglic, C. Zaplotney, D. Sergeant, P. Madlock, C. Maddox, M. Petko, W. Madden

**SENIOR O.O.E.A.** Row 1: Mrs. Toni Rash, S. Seginz, P. Bradac, J. Budas, T. McInally, R. Zanghi Row 2: N. Holtz, S. Vaslavsky, L. Gotarska, D. Kroft, L. Conroy Row 3: C. Prechtel, D. Gondeau, J. Ray, T. Duracensky, S. Marbis Row 4: N. Jurgensen, J. Wollmershauser, D. Wilson, D. Rothebld, G. Joranko

**T**he Ohio Office Education Association has been established for vocational business students. It is a co-curricular club whose activities are basically service, social, fund-raising, and business.

The club's main annual event is participation in a business skills contest on the regional and state levels. This year four juniors: M. Bleigh, K. Benscoter, T. Yanko, and T. Ferenac, and two seniors: J. Ray, and N. Jurgensen will be traveling to Columbus for state competition.

# Neighborhood Interaction

**T**he past school year has been a witness to many exciting community and world events. President Reagan met with Soviet leader Gorbachev, Euclid Beach reopened, and "The Boss" visited Cleveland.

Once again, summer in Euclid was dominated by several carnivals and fairs. The Shore Carnival drew large crowds. Many people enjoyed good food, entertaining rides, and live bands. Later in the summer, the Old World Festival was held along 185th street and at St. Joe's high school. Ethnic culture, food, and music was provided

here. The beach at the site of the old Euclid Beach Park was reopened to throngs of awaiting swimmers.

Another high point of the summer was Bruce Springsteen's visit to Cleveland's Municipal Stadium. Tickets to see "The Boss" sold out in several hours.

In November, the President and Soviet leader Gorbachev held a summit in Geneva as the entire world watched. And while Ronny's proposed "Star Wars" defense system was being argued over in Washington, George Lucas argued to a court that the govern-

ment was infringing on his Star Wars copyright. NASA unveiled its new space shuttle, the Atlantis, and many new advances were made in the fields of science and technology. In addition to this, everyone kept an eye out for Halley's comet which appeared, as predicted, this year.

These and many other events helped to make the 1985-1986 a school year a tough one to top.

-J. Coy  
M. Peters

*Top Left:* Community support is often needed for morale and successful sports events. *Top Right:* The school and the community work together to give the students the best possible education. *Above, Center Right, and Lower Right:* Many children enjoy the annual Community Halloween Party, sponsored by the Student Council.

*Top Left: Community support is vital to success. Top Right: Dr. Ernest A. Husarik congratulates the winners of the Special Olympics. Middle Left: Young people often provides the main work force for the local businesses. Center: Special Olympian is congratulated after victory. Above: Euclid High Students are a major asset to the local businesses. Bottom Left: Ronald McDonald smiles with the children of the community.*

# Hangin' Around

## Euclid Students Seek Places To Relax

**E**uclid High students certainly don't believe in all work and no play. When the school week is over and the weekend arrives, students just want to hangout with their friends and forget about school.

Where are some popular hangouts? Well, McDonalds has got to be the all-time favorite. After dances, football games, or almost any Friday and Saturday night, a bunch of Euclid students can be found at McDonalds eating cheeseburgers, fries, etc...

Euclid Square Mall, Pizza Hut, and Wendy's (mostly for frosh), are also popular.

During the weekend, students want to be with friends and have fun. Senior John Hilliard said he likes to "lose it" while hangin' out. An anonymous junior (not Jeff Coy) added that "it doesn't matter where we bum around on weekends because me and my friends always manage to have a good time."

Well, whatever hangout is chosen, a good time with friends is guaranteed!

-S. Sezun  
M. Smith

Top: J. D'Apollo and J. Lange enthusiastically leaving school for their favorite hangout. Middle: Many Euclid students hang out with the band at the football game. Far Left: Euclid students hanging around at a sporting event. Middle: M.

Mihalick and S. Sezun hanging around at York Steak House. Right: A. Rooker and R. Pizmoht hanging around deciding where they'll hang around.

Segulin enjoying themselves at a dance. Bottom: M. Mackell, E. Alexander, D. Grubinski and R. Arlesic find a new use for the cafeteria tables. Bottom Right: Students hanging out in the E-Room. Background: Swingers hanging out at the Swingathon.*

# Presenting New Teacher Faces

**N**ew and different faces were seen in Euclid's halls this year. A new freshmen class arrived, and 25 new faculty members were added to replace recently retired teachers. Changes for the better were made and new goals and ideas were worked on by the freshmen, sophomores, juniors and seniors.

-M. Mihalick

'New faces' would be a phrase that would describe the teachers and staff at Euclid High School this year. Because of the buy-out that occurred at the end of the previous year there were many veteran teachers that chose to retire leaving room for the many new teachers that we got this year. Most departments had changes and some departments had changes that occurred during the school year.

*Clockwise from far left: M. Durbin teaching math. B. Drew teaching biology. T. Banc teaching Phys. Ed. M. J. Kolodziejcz teaching music. J. Addis teaching Special Ed. and M. Beachy CARE coordinator.*

**A**ctivities were a vital part of the Euclid students daily lives this school year. Whether one is acting in the fall play, being a cheerleader, or playing the flute in the marching band, participation in school activities this year led to many new friendships and the helping out of school spirit. Getting involved does not just mean long hours spent after school, but instead, reaching goals and making school a funner place to be.

# All That Glitters . . .

## Majorettes And Flag Corps Add Beauty To The Game

**T**he '85-'86 Flag Corps season was headed by co-captains Jennifer Marrot and Kathy Voigt. This year's team consisted of 13 members, 5 of which were seniors. There were 8 returning members along with 5 first year members.

The Flag Corps held fund raisers to pay for their new uniforms. Whether it was at fund raisers or regular practices, all the girls worked very hard. All of the shows were choreographed by

the team.

All the time and energy the girls put in paid off during the half-time shows during the football games, the Memorial Day Parade, the band concert, and a special performance at Euclid Central.

Another group of girls that spent a great deal of time working on shows and fund raisers during the summer was the '85-'86 Majorettes. Car washes

were held throughout the summer to help pay for new uniforms. The captain of this year's Majorettes was Sue Reynolds. There were 6 veteran members of the team, along with 2 new additions.

The Majorettes performed during the pre-game and half-time shows at the Varsity Football games. They were also in the Memorial Day Parade.

-P. Peran, D. Kaleal

Jaworsky and C. Mis. Below: S. Reynolds strutting her stuff.*

# Cheerin' 'Em On

## Cheerleaders Show Lots Of School Spirit

**T**he peppy and spirited varsity football cheerleading squad, led by senior Captain Diane Lucci, worked hard to improve their cheers and routines by attending cheerleading camps at Notre Dame and South Euclid. While at camp, they won a spirit trophy, a plaque for excellence, and were presented with three blue ribbons for superior achievement. They also held practices three times a week for about two hours during the summer.

It was all worthwhile because they kept the crowds alive at all football games. Their success exists not only within the school but at competitions as well. The varsity squad took third place at Randall Park for their dance routine and appeared on the T.V. program "Jet Set" on cable channel 27, where they "strutted their stuff."

The J.V. cheerleaders not only added spirit by cheering with varsity at football games, but also gave their time by selling tickets, football and homecom-

ing ribbons, panther buttons, and stickers. Varsity raised money by holding car washes in the EHS parking lot during the summer. The freshmen squad didn't sit around either; they took first place in competitions at Parmatown and Maple.

By just chanting the words, "E-U-C, L-I-D, Euclid, Euclid, yesiree!", this year's football cheerleaders represented the spirit of which our school is made.

## Football Cheerleaders

# Cheering The Hoopsters

## Girls Cheer For Basketball Team In A Winning Season

1985-86 was a great time to be a Basketball Cheerleader. Not only was the Varsity squad composed of a group of enthusiastic workers but they had a lot to cheer about. All of the boy's basketball teams had an excellent season so the girls found it especially rewarding

to be cheering for them. The girls practiced after school during the week to prepare themselves for the games. They tried to come up with new cheers for each game and were often seen working out the last details to their cheers in the halls just before a game.

They worked hard to improve their coordination, mounts and gymnastic skills. They were definitely a spirited group who enjoyed themselves at the basketball games and helped the fans enjoy themselves.

*Right: Varsity Cheerleaders practicing . . . always practicing. Below: J.V. Cheerleaders performing. Bottom: Freshman Cheerleaders, N. Race, A. Hickock and K. Attwood getting ready for their performance.*

# Presenting Students In Action

## Student Council Members Work For All

*Student Council: 1st row (kneeling):* K. Eubank, T. Stone, R. Grahovac, K. Rees, L. Sulik, D. Rymarczyk, C. Carter, M. Fair, J. Waltermire, P. Kudlak. *2nd row:* L. Ferrara, V. Zupancic, C.

*Kempke, A. Husarik, J. Oblak, L. Miller, A. Yuhas, E. Richards, B. Balazs, M. Pathos. 3rd row:* M. Risko, D. Syracuse, M. Sweet, K. Masterson, K. Kocjan, A. Skiljan, T. Van Beneden, S.

*Hall, T. Soltesz. 4th row:* J. Bukovac, R. Ramlow, L. Thomas, K. Reed, K. Porten, M. Davis, A. Stauffer, J. Samuels, T. Razingier, T. Thomas.

**W**hat is Student Council? Well, it's a group of students who make school activities run smoothly and efficiently. The members of Student Council have organized and run such school functions as Homecoming, the city's Halloween Party, Winterfest, the Penny War, and the Thanksgiving Food Drive. President Katie Brickman and officers Sharon

Berke and Laura Rattini got stuck with most of the work, but everyone helped out to get things going. Miss Sandy Bambic, the sponsor, proves herself indispensable every year.

"Student Council is good because it gives me a say in what happens at school," says senior Robin Ramlow. Lee Papouras agreed and added that "it gives students a chance in govern-

ment." Sharon Berke said she had fun as an officer and encourages all who put off joining Student Council to do so. All in all, Student Council is a group of students who have fun but still get a lot accomplished in the meantime.

# Cabinets Have Class

## Guiding Class To Its Destiny

**T**he ninth grade class cabinet, headed by its unit principle, Mr. Pasqual and counselors, is excited about its dance this year. Although they have only one dance this year, members of the cabinet promised to make it worthwhile. "They have true school spirit" said one unit administrator. "Our prom is going to be great" said a member of the ninth grade class cabinet.

The tenth grade class cabinet, headed by Mr. Bender and Ms. Harris, is "a

pleasant group of students, interested in the well being of the class", says Mr. Bender. They also have one dance this year which is in May. They of course are looking forward to it.

The eleventh grade class cabinet has already done a substantial amount in raising money for the Prom. "It really gives you the pleasure knowing you are helping your class," said one member. Mr. McGuiness, Mrs. Krup, Mrs. Davis, and Mr. Antonini helped the students make the decisions concerning

cabinet. Mrs. Davis said, "They are really dedicated and sincere and are becoming prepared for the Prom."

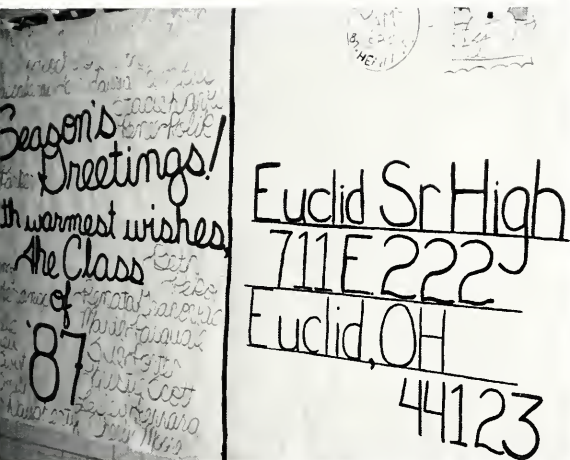

The senior class cabinet, headed by Mrs. Barker, is overflowing with money. They of course are pleased because all of their hard work has paid off and can't wait to be rewarded with the Prom. "We've worked hard and we deserve to have some fun. It's been a great year!" said one member. A. Terango

Bottom Left: The Sophomore class cabinet enjoys entertainment after a very long meeting.

# Time Out For Ginger

**T**his year's Fall Play, *TIME OUT FOR GINGER* told of the great chaos created in a typical American household when 14 year old Ginger Carol (Michelle Goodman) decides that girls should be allowed to play football. As a result of her father's (Vince Kovacic's) speech on equal rights, Ginger tries out and makes the boy's football team. However, Ginger's actions lead to great confusion in her household and her neigh-

borhood. She manages to convince her mother (Paula Schaefer) of her convictions, but creates great quarrels between her two sisters, Joan (played by Stefanie Sper) and Jennie (Holly Harris). Things go from bad to worse as the boyfriends of Joan and Jennie (Eddie, played by Donovan Glover, and Tommy, played by Alex Fetkovich) get into the heat of the battle. Other major parts were played by Anita Kardula (the maid), Tom Wirbel (the school's

# Philharmonic Hopefuls

**T**he Concert Band is comprised primarily of underclassmen and is considered a preparatory class for Symphonic Wind Ensemble. Members can polish technique and may challenge other musicians for seats in the wind ensemble after their first concert, in February. They also participate in a May concert, and can participate in solo and ensemble contests.

Pep band is a small group of volunteers who play at pep rallies and basketball games for the purpose of promoting Panther Spirit. Its members are also in Stage Band and/or Symphonic Wind Ensemble.

# The Best Of Music

**T**he Symphonic Wind Ensemble, under the direction of Arthur Sydow, has two school concerts each year, in February and May. In addition, its members may also participate in solo and ensemble contests and in the Regional and State Wind Ensembles. The ensemble is comprised of the more advanced members of the band. Tryouts are held at the conclusion of the marching band season.

The Orchestra began the 1985-86 season under a new director, Mrs. Kolodzicz. It accompanied the choral masters during their Christmas concert, and also appeared on Viacom Cable Company's Christmas choir special with them. In addition to this, the orchestra takes part in concerts in February and May and members participate in Regional Orchestra and in solo and ensemble contests.

# With A Smile And A Song

**T**he Varsity Chorale is made up of Euclid students belonging to Chorale Masters who excel musically, mainly in singing and dancing. Interested students meeting the requirements must audition to become a member. This year's Varsity Chorale, in comparison to past groups, is very

young- there are only five seniors with Vince Kovacic, Mary Wirbel and Tricia Syracuse returning from last year. Stephanie Tassone and Melanie Senitko are the newcomers. The rest of the group is made up of very talented sophomores and juniors. The group practices once a week for at least three

hours and performs often throughout the community. Every year the Varsity Chorale competes in The International Music Festival. This year's group will travel to Orlando, Florida to compete.

# Cultural Exchange

## AFS Allows Interchange Between Cultures

**C**ould you imagine spending a year in a different country? How about going to school and living with a different family amid a different culture? Through A.F.S. (American Field Service) that is exactly what Uta Henze of West Germany and Maria Lopez of Argentina are experiencing this year at America's Euclid Senior High School. In addition to this, two of our own students, Amy Waltermire and Kate Taylor also traveled abroad.

Uta and Maria attend Euclid Senior High School through A.F.S.. Barbara Ramlow, an English teacher and advisor of the Euclid High School chapter of A.F.S. explained that its purpose is for people to understand other cultures. She said, "It opens up your eyes to the rest of the world."

Seventeen year old senior Uta Henze said that some things about American life are more restricted while others are freer. She said, "11th and 12th grade students in Germany are allowed to smoke during their 20 minute breaks outside the school building." She felt the school rules were strict compared

to the ones in her hometown, Recklinghausen, West Germany.

Family life is different too. She explained that she is the only child at her home in Germany. Because her "American mother" Barbara Ramlow is so busy, she does not spend as much time with her as with her natural mother.

Schools at West Germany do not have the activities and school spirit like in America. She enjoys the atmosphere of school spirit of Euclid High School. She said, "German school is for learning and making friends. If you want to be involved in sports you have to join a club." Most students do not have jobs but study for school. They take about ten classes (one in religion) and even meet in the second and fourth Saturdays of the month.

Maria Lopez is also a senior at Euclid, but a graduate from her high school in Argentina. She too likes America.

She said her high school was much smaller and lacked the activities and spirit that Euclid has. Like West Germany, the activities are not school related.

She expressed how much she likes American democracy and hoped Argentina would some day have its newly enforced democracy like America's. She stated, "Because of all the problems down there, the kids are much more involved in politics than here, I guess we have to be." She added, "American teenagers are lucky. They can do anything they want to, to really fulfill their potential."

Amy Waltermire, a Euclid senior this year, traveled over the summer to Malaysia, a small country southwest of Japan. She enjoyed her stay with a Malaysian family and had a real oriental experience.

Another senior here, Kate Taylor, also visited a far away place- South Africa and stayed with a very nice couple there. She adds that since she stayed in a more rural area, she wasn't exposed to the problem of apartheid.

A.F.S., throughout the years, has brought many people from different places and cultures together and this year is no exception.

-A. Geddes

# Key Club Strives To Help Others We Aim To Serve

**K**ey Club is an organization designed to serve the community. Through their service, the members learn respect and responsibility. This year's president, Mary Wirbel said not only was this year "productive" for the club but also that it, "met goals established at the beginning of

the year." Some of the work they did this year included volunteering at hospitals and passing out Thanksgiving food baskets. Wirbel adds that Key Club is not all work and no play but a great way to meet people and to have a lot of fun.

-K. Balogh

# Tutors Have Peers

**P**eer tutors are a group of students who do exactly what their name claims they do. They help out other students in subjects in which they are having trouble. This includes anything from Geometry to World History. Miss Spiga, the one in charge of this group of "student teachers" has the responsibility of getting the tutor and the tutee (person in need of help) together and keeping

track of the progress that's been made. This "organization" has been successful so far and many students are glad to help out in their strong subjects. "As long as the tutee wants to be helped and works hard, their grade in that so-called tough class usually improves within a few short weeks, if not sooner," states an anonymous senior tutor.

-M. Mihalick

*Top picture:* K. Brickman, K. Nickel, J. Smith, M. Muscarella, and R. Gubitosi practice their dance routine. *Above:* J. Smith and K. Brickman race against V. Jaworsky and J. # Foreign Language Club

## Experience A Cultural Cornucopia

**I**f you like people, are interested in different cultures, and want to have fun, then Foreign Language Club is for you. The club, with co-presidents, Jean Chen and Rosie Gubitosi, and vice-president, Darlene Shei, had many exciting activities this year. A picnic at advisor, Ms. Hodgin's

house in the fall allowed everyone to get acquainted and started off the new school year great. Out of school trips were an important part of the club's agenda. Some of these were visits to the Cleveland ballet, Force soccer games and local restaurants. Although not all the plans were carried out, ev-

erybody kept a positive attitude. Distinguished junior and scholar, Jefffrey Coy, who is a die-hard member of the club states that, "The Foreign Language Club is very good if you want to learn about many cultures including studying our own culture a little better."

-M. Mihalick

Above: Foreign Language Club Members; ROW 1: D. Daugherty, K. Weakland, J. Hsu, D. Shei, M. Mihalick, K. Eubanc ROW 2: P. Schaeffer, N. Cook, J. Chen, L. Elza, D. Rossmann, J. Lange, T. # How's Your Audio-Visual?

## I Want My MTV

**S**ince study halls to some students are very boring, these people spend their time as Office, Media, or Library Aides.

Office Aides help out all secretaries in any divisions that need the help. They help file cards, answer the phones and send passes or notices to students

in class.

Being a Media Aide is for the student who is interested in audio equipment. This aide helps out with the operation and maintenance of all audio equipment in the school.

Since the budget couldn't afford to pay for after school library "pages"

some students use their study hall time being a library aide. Library Aides help keep the books in order, send down the names of students to study halls and help organize the pamphlets and magazines.

-M. Denovich

**T**he Outdoors Club is a group of students under the supervision of Mr. Frank Soltesz who experience life in the wilderness. This year Al Kucamanic is serving as the club's President. The activities of the Outdoors Club this year include a weekend spent in the woods of Madison in the fall, and in the winter months is cross country skiing and another weekend in Madison. The students in the club are from all four grades and are ones who love spending time in the outdoors. The meetings are every Tuesday and this year there was much participation as about thirty-five to forty students joined.

-C. Rocco

# Slip, Slidding Along

## 1985-86 Ski Club Got An Early Start

**T**he Euclid High School Ski Club got off to the earliest start that anyone could remember. Because of an abnormally cold December that came with an above average amount of snow, it was possible for the ski club to begin skiing in December. The Ski Club was the largest it had

been in many years with over 100 members. The club skis on Thursday evenings at Boston Mills Ski Area in Peninsula, Ohio. On Martin Luther King Day the ski club takes a trip up to Cockaigne Ski Area in New York for a fun filled day of skiing. Skiing is becoming more and more popular as peo-

ple realize that it is a way of making winter more enjoyable. As you look at the smiling faces of the students in the club you seem to get the idea that they are having fun. Skiing is a sport that can be enjoyed by participants of all abilities.

# Seniors Show Their Talent

## Senior Talent Night A Big Success

### Seniors Earn Money For Prom

**J**ust what is Senior Talent Night? It is the biggest money raiser for the senior class. Two nights out of the year, where about seventy seniors put on a show displaying their enormous talent. This year's

show was no exception. Considering that this year's show was held in November, instead of May, it went really well. The reason was to get an earlier bid on prom tickets. Seniors should know well in advance on the cost of the

tickets for this year's prom.

This year's show, led by masters of ceremony, Sonya Sezun and Dean Sopko, contained singing, dancing and many funny skits in between. Both halves of the show were opened with rock bands, Back Stage Pass, featuring George Beros, and later, Boppin' Billy's Blues Band, starring Bill Balaz. The dancing included Rochelle Pittcock and friends doing "Do Do Run Run" and P.J. "Madonna" Allen and buddies performing "Madonna Wanna Bees." "I Honestly Love You," sung by Mary Wirhel, was very heart-felt by the whole audience. Comedy acts, including "Football Life" and Head King's Magic Act, made everyone laugh. Comedy crew in this performance came up with some original and very funny skits. Who could ever forget the "Miss Switch" Manello or the "Big Butts"? Does Mr. Rambardo (oops!), Mr. Lombardo really hold hall monitor class? And what about Euclid's rendition of "Bill"? Or the Smithettes?

but the scene people and scenery and

# What's The Scoop?

**E**uclid's newspaper, the Survey, is a unique method to update and inform students of school and community activities. Advisor, Mrs. Sally Pla, editor-in-chief, Melanie Senitko, and assistant editor, Debbie Johnson, kept things running smoothly throughout the year. The Survey's staff circulated each issue of the newspaper during lunch periods. The paper enhances writing and communication skills for those who participate in its creation and allows those who read it to get an in depth perspective of students' news and views.

Approximately once every week, a

very dedicated group of students met to produce Euclid's literary magazine. The group was the staff of the Eucuyo, a magazine that includes poems, short stories, short plays and art work. Students submit their own original work, or it may be turned in to the staff by a student's English teacher. The art department contributes art work which enhances the beauty of the magazine. The editor of the Eucuyo, Kate Taylor, worked dedicatedly with her staff and advisors, Mrs. Joan Lidrbach and Miss Judy Carmody.

# A Year In Perspective

**A**n obvious characteristic of this year was change. Last year's educational staff was very different from this year's. This was especially evident with the yearbook which had a new advisor. Second year science teacher, Miss K. Black was a helpful addition this year. Second year advisor, Mr. W. Von Benken, also underwent a great change (and finds himself

still doing a lot of changing these days) with the birth of daughter, Megan. The use of a computer to record and print copy and construct the index made the yearbook process more bearable. This was especially crucial since there were not many students who devoted large amounts of time to the yearbook. The yearbook was produced through the ef-

forts and organization of co-editors, Michelle Mihalick and Jean Chen. Michelle summed up the year by saying "we did a lot of last minute work to make our deadlines but the book was a creative and learning experience." Jean said "the year was a truly enjoyable experience".

# SPORTS

**T**hrough participating in and watching Panther sports in the 1985-86 school year, Euclid students' pride and glory reached a new peak. In all of the diverse games, matches and meets, our athletes continued to put forth their best efforts whether they experienced the "thrill of victory" or the "agony of defeat."

# Change Of Leadership

**T**he Euclid Panthers Varsity Football team hoped for a more successful season this year, finishing with a record of 5 wins and 5 losses. The only people who were expecting to do better than 5/5 were the players themselves. For even their old coach, Jim Rattay abandoned them to coach in a failing football program in Arizona. This meant that the team had to regroup and start over with a completely new offensive system which was brought by the new Coach, Tom Banc. Speculations about this year's team arose because there were only four returning starters to the line-up, Dave Potokar, Carl Cickavage, Dan Manello and Q.B., Dana Gollner, who suffered a broken ankle during a baseball game over the summer. This meant that junior David Potokar would have to become the new quarterback in Coach Banc's new offensive system. After a

long and intense learning period during the summer, the Panthers took the field against visitor Cleveland Hts. Heights had been a pre-season pick to win the Lake Erie League, and also had been one of the two teams to beat the Panthers last year. After Anthony T. Yehl's touchdown catch, the Panthers were victorious 19-14, and Dave Potokar was to be given the nickname of "Super Dave" after his star performance. But this performance was never to be matched for the rest of the year. The Panthers next game was with the cross-town rivals of St. Joseph, who were still smarting from their 40-16 defeat from a year ago. At the start of the game, Panther's senior Mike Woodcock kicked-off only to have the ball returned by St. Joseph's Andre Smith for a touchdown. The extra point was missed. After several changes of possessions, Euclid drove

down the field and took the lead, 7-6. But this was the last time Euclid was ahead. The final score was 28-14. These first two games set a pattern for the Panthers. For the rest of the year, the team won one and then lost one throughout the entire season. It was a season of emotional highs and lows. One of the lowest points of the season came in the last quarter of the Mayfield game when a hit from behind on offensive tackle and co-captain John Martin ripped the tendons in his knee and finished his football career at Euclid High School. Two of the four returning starters were out of the lineup and less-experienced players had to be substituted. This tackle spot changed possession almost every week, for there was no one who could really take Martin's place.

# Football's Gridders Roll To .500 Season

## Looking Forward Towards Next Season

**G**ne of the high points of the Varsity Football season was the victory over Eastlake North for Homecoming. The game ended on a blocked field goal by senior co-captain Dan Manello. Unfortunately the Panther's spurt of luck didn't last long. Soon after the Homecoming win, a heartbreaking loss came at the hands of visiting Willoughby South. On Mom and Dads' Night, hard rain made the field very sloppy. The score was tied at 0-0 virtually the entire game until a punt was muffed by senior Anthony T. Yehl and South recovered in the end zone for the only points in the game. Although the referees did not know it at the time, Yehl never had control of the ball, so it should have been brought out to the 20 yard line. South should never had been given the touchdown. By far the most emotional time of the season, however, was in the

locker room before the Brush game. Coach Banc called on each of the seniors to say what playing for Euclid High meant to him. When the seniors were finished talking, there was not a dry eye in the entire locker room. Perhaps reminiscing had a detrimental effect on the players, for at the end of the first half, the Panthers were down 17-0. But the team did not give up for they came out after the half and managed to make the score a respectable 17-14. The season still ended with a loss just the same but it did give the coaches hope for next year.

The Panthers did show much improvement throughout the year, especially the offensive line. Through the first half of the season, the opponent was averaging about four quarterback sacks a game. In the last three games of the year, the opponents averaged only about one sack a game. The rea-

son the line improved so much is that they finally came together as a unit. Throughout the year the personnel was always changing but the last three games sophomore Joe Vehar, junior Rich Johnson, and seniors Dan Manello, Lou Davis, Mike DeMora, and Carl Cickavage performed as a unit.

The defense played well all year, led by senior co-captains Ray Uhlir and Dan Manello. Consistent performances week in and week out were turned in by seniors Dennis Walsh, George Beros, Mark Mizek, and Marty Miller. Juniors Paul Harris, Marty Lisac, Dave Potokar and sophomore Eddie Powers added depth to the Panther defense. Other seniors deserving recognition for their services to the team were: Scott Lah, John Frisco, Dave Connonie, and Casey Jakubauskas.

# Beginner's Luck Ended

**B**ecause the Junior Varsity Football team suffered key injuries, along with the fact that many sophomores were moved up to the varsity squad, they finished with a 3-7 record for the season. Although the team hoped for a more victorious season this year, the players expect a better record next season. Panther player Derik Evans should get credit for being

a key factor to the team's scoring efforts.

The 1985-86 Freshmen Football team finished a very triumphant season this year, obtaining a 6-2 record. Twenty-two points per game were scored on the average which is shown by their numerous victories. Because of the tremendous amount of hard work completed and the friendships made by

the players during practice, much personal growth was obtained. On November 11th, the Freshmen Football Awards took place. Many numerals and certificates were handed out. Because of the team's success, Euclid's football coaches feel that next years J.V. and varsity football teams' records should be improved.

# Socc'it To Me

## Soccer Team Tries But Breaks Were Against Them

**A**fter the 1984-85 season, the Euclid varsity soccer team tried to pick up the pieces. This led to many close games. "Even though their record was 1-11-4, it doesn't do them justice. They were a good team, but needed to score," says an ardent fan. They beat Madison in an exciting win, with a score of 4-1, and tied such top GCC teams as Eastlake North and St. Joseph's.

Honors of MVP went to senior Captain Jeff Jordan. The Offensive Award went to leading scorer Mike "Woody" Woodcock, while the defensive award was shared by the 2nd team News Her-

ald duo, Lee Pappourus and Bob Airhart. Lee was also named to the 1st team All Stars GCC, but Bob was a spot on the 2nd team All GCC.

Overall the team put forth a good effort but was unable to put points on the board, even though Matt Kovelan and Woody never stopped trying. "Losing the defensive player Brian Polaski due to injury wasn't easy but every team has their ups and downs," say varsity coach John Gibbons. He feels that a strong foundation has been built for the upcoming years.

-B. Parker

**E** Contributing to the foundation that the varsity Soccer team put down was the J. V. and freshmen teams, the freshmen team ended a successful season with a record of 7-4-3. Also, under the coaching of Mike Durbin, the J. V. finished at 7-6-2 overall. Paul Rose and Sean Quinn took over the job of scoring while Lou Paroska handled game movement. Jon Lange, sweeper, and Dave Wendell, goalie, took over the department of defense. This presents a bright future with a winning advantage for the seasons to come.

# Puttin' Around

## Euclid Swingers Have A Disappointing Season

**B**ecause of their "driving" dedication and pride, the Panther Golfers of the 1985-86 school year led the conference in spirit, even though they concluded the season with a 6th place finish and a 5-9 record in the GCC. Leading the team in consis-

tency as well as scoring, senior captain Gary Paparizos earned his third year Letter Award this season. Also contributing greatly to their victories on the greens was junior Jeff Slattery. Senior member Gary Pinta feels that Coach Raicevich deserves credit for his

fine leadership of the team. Able assistance was given by Pinta, Tom Cramer, Marty Risko and sophomore Dave Berke. Next year, the Panther clubbers are looking forward to a more successful season that will be "right on par."

# *Stringin' Along*

## *Tennis Team Has Disappointing Season*

The Panthers' girls' tennis team did better than average during the section tournament this year, despite a 3-11 record for the season. Junior Chris Duricy, who played first singles regularly during the school matches, made it to the regional tournament after placing 2nd in sectionals. Her defeat to an experienced player from Brush stopped her within one match of going to the state tournament. Regular second singles player, senior Norma Jalo-

vec, played well in the regular season and won three matches before being outted by the first seed in tournament play.

The regular season gave way to many 2-3 losses, but the majority were hard fought matches that lasted 3 sets. Seniors who had playing time in each match were Sandy Bolivar and Tina Nolidis. Bolivar and Nolidis usually played doubles, but changed courts to play third singles when asked. Colleen

Wajahn, Val Stupica, and Sue Shilling added strength to the team as they returned from last year. Newcomers to the varsity tennis team were Marie Dent, Heather Rowe, Heather Morrison, Tracy Risko and Chris Obosky, who proved to be valuable additions.

Although Euclid will be losing three seniors this year, the team has plenty of girls left that are willing to learn and ready to win.

# Cross Country Runs With The Wind

## Boy Harriers 10th In State Girls Third In G.C.C.

**A**t the end of September, the 1985 Euclid Cross Country team held second place in the GCC with a respectable 6-1 record, the loss coming at the hands of rival and eventual state champion Mentor. The team had a goal- to return to Columbus for the State Finals. Yet, the harriers received no respect from other area teams.

Then came October. It became apparent to the other state contenders in Northern Ohio that no injury, illness, or other problem would keep Euclid from its November date in the capital.

Led by seniors, captain and MVP Marty Tomasi, Bill Bell, Josh Ford, Scott Burton, juniors Bob Bukovec, Ted Karnak, Mark Smith and outstanding sophomore Steve Johnson, the Panthers knocked off perennial state powers one by one. Other seniors, John Karnak and captain Al Kucmanic, added to the varsity's success.

At the OHSAA Regional Meet, the goal was realized. Key individual performances helped the "no respect" Panthers qualify for state. In Columbus, at Scioto Downs, the team topped

six others ranked teams to finish 10th in Ohio.

"We achieved our goal the old-fashioned way," said Coach Halbedel. "We earned it." Habs also earned his 100th career victory during the 1985 season.

The J.V.-Reserve team also enjoyed success. Seniors Mike McCandless, Tom Madden, Brian Wicks, and sophomores Denny Coy, Jeff Davis, and Eric Eyman waged their own war with Mentor, eventually defeating them at Hawken.

**T**he 1985 Girls' Cross Country Team started the season off slowly, trying to adjust to the methods of rookie coach Leo Collins. The Lady Panthers, led by senior captains Jacqui Vanah, Joyce Bukovac, and Patti Jones, quickly improved, capturing the University School Invitational after only three weeks of practice. In the G.C.C., the competition was very strong, but the team ran well enough to finish in a tie for third.

Other runners contributing to the success of the team were juniors Kim Marvin and Erin Kocjan, and sophomores Jenny Zigman and Sue Guip. At the district meet, despite most runners on the team posting lifetime best efforts, the Pantherette pack could not advance to the regional race.

The season ended on a positive note as the team place second at the Walsh Invitational. Coach Collins saw great leadership on the part of the seniors as the reason for the improvement with his first Euclid team.

The open runners added depth to the Euclid varsity. Team members included Robin Ramlow, Uta Henze, Dee Dee Thomas, Missy Allay, Kecia Bell, Monica Simmons, and Julie Barcza. Most open runners also saw varsity action.

# 1, 2, 3 . . . Straight Up, Straight Down

## *Euclid Spikers Celebrate A Victorious Season*

**E**racing the courts on which they played is exactly what the lady Panther volleyball team did this year. With an overall record of 17-4 and 10-2 in the GCC, they took a second place finish, up two spots from last year.

According to coach Donna Paderewski, the team's main goals were to improve bumping and serving. Led by senior co-captain Diane Rossman and another senior, Amy Waltermire, the back row became a definite advantage on defense. Taking top honors in serving was senior co-captain setter Danielle D'Amico, a first team all GCC selection, with 98% accuracy. Overall,

the team's serving percentage increased from 85% to 90% from a year ago. As skipper Paderewski puts it, "Once on the court, all the problems were left behind. We were a very close group—all working for the same goal."

Euclid turned into a comeback team this year. Down 13-1 against Mentor, the girls' strong determination led them to a comeback and a win of the game, 15-13, and later a win of the match.

The lady Panthers were seeded 4th in the sectional/district tournament. The Panthers won sectionals to advance to districts, only to lose to 2nd

seeded Mayfield in a close three game match.

The "big blue spiking crew" was led by junior Shelly Tekieli-another 1st team all GCC selection, sophomores Karen Maroli and Megan Wandersleben, all returning next year.

Looking ahead to next year, the lady Panthers will be the ones to watch as they return 2 juniors, 4 sophomores, and 1 freshman. As 2-year starter Karen Maroli sees it, "We definitely have the talent, teamwork, and determination to go very far. I'm looking forward to the upcoming season."

## Euclids Volleyball Team Sets Up Another Winning Season

**T**he Junior Varsity volleyball team definitely had a very successful season with, ending with a record of 12-4 overall and 9-3 in the G.C.C. for a second place finish. Experienced players were one of the key factors, the team consisting of five juniors, six sophomores, and one freshman. The hard working, talented girls got off to a good start with a beginning record of 9-0. The season, however, ended with the team losing four of its last seven matches. The team never gave up though, and always strived for that extra mark in the win column. According to Coach Pat Buck, the team was one of the most coachable and hard working teams she has ever had. The freshman volleyball team was coached by Dan Maxson. Ending the season with an 11-7 record, the team consisted of sixteen players, the largest group in the last four years. The girls placed third in the Mentor Shore Tournament, finishing the season on a positive note. When asked what she will remember most about the 1985 season, Kelli Vanah replied, "Finally winning a match against North was great!" Way to go, girls!

# Team Cages GCC

## Varsity Goes For A Super Season

**T**he Panther winter sports teams had one of the best seasons in the school's history with the boys and girls swimming, boys basketball, indoor track and wrestling teams placing first in the GCC.

The boys basketball team was very

successful. According to coach Harold "Doc" Daugherty, they were also a very friendly, well-knit group. They produced a great response from the student body at an all-school assembly and drew a large number of people to their games.

Derek Walton and Marc Pope were News Herald Players of the Week. Derek Walton had the highest average points per game and was the playmaker. Senior Tom Lewin was one of the team's consistent scorers.

# Pantherettes Claw Their Way To A Second Place Finish

**D**espite a slow start at 1-3, the 1985-86 Girls Varsity Basketball Team pulled itself together to win its next 15 of 16 games. With an overall regular season finish at 16-4, the Lady Panthers finished second in the conference, one game behind Bedford at 12-2, good for their best season ever!

The main reasons for success were the players' ability to pick each other up and remain confident in one another's ability to perform. Not only were they confident, but the team was hard-working, talented, and had depth. In almost every game, everyone was able to go out on the court and contribute,

thus making for a well rounded team. Helping to lead the Panthers to success were Seniors: Denise Holley, Kim Kocjan, Monice Simmons, Jacqui Vanah, and Danielle D'Amico. Juniors: Kristen Petrie, Karen Stupica, Marilyn Murphy, and Lisa Germano.

Last of all were Sophmores: Karen Maroli and Meme Vencel, who were coached by Mike Grimont. In addition, Denise Holley, Meme Vencel, and Karen Maroli were all selected as *News Herald Players of the Week*.

Many firsts were also registered this past season. For example scoring the most points in one game (84), averaging

over 56 points to their opponents 39 points and out rebounding their opponents by over 15 rebounds. However, the highlight of the season was defeating Eastlake North for the first time in seven years!

The hard work and determination paid off for the Lady Panthers as they were seeded second in state tournament play. By registering victories over Chardon and Mentor, the Lady Panthers were able to clinch their first sectional championship ever. The girls were currently 18-4 as they began district play.

Girl's Varsity Basketball

# J.V. Hoopsters Have Excellent Season Almost Undefeated

**T**he Lady Panther Junior Varsity squad finished another outstanding season with an overall record of 18 wins and 1 loss while placing first in conference play at 12-0. Coached by Ray Force, the hardworking Pantherettes developed into a very skilled, well rounded team, always striving for that extra mark in the win

column.

Team players consisted of juniors Karen Stupica, Catrina Crayton, Lynn Tisdier; sophomores Lynn Phillips, Laura Walter, Megan Wandersleben, Sonya Blair, Shileshe McCoy, Latonia Aitkens, Teri Renshaw, and freshman Terri Sopko.

Looking ahead to next year, the fu-

ture is bright as the team hopes to continue with their hard work for yet another successful season. "We would like to express our sincere thanks to Mr. Cantini for all of his support to us. Without him we would never have had the successful season we did!" said the team.

-K. Maroli

# Hockey Team Slapped Around Team Wins Baron Cup Even Though Season Wasn't Very N'ice

**I**t was an exciting season for the Euclid Panther Hockey team. It ended the '85-'86 season by winning the Baron Cup division II championship. The team had to beat Valley Forge, St. Ignatius and Brooklyn in less than one week to win the championship.

The team got a new coach and assis-

tant coach this year. Gary Geldart, the head coach, came to Euclid with many new plays and ideas on improving the team's strategy. Rich Wherley, the assistant coach was there to help the coach with practices and meetings.

The players practiced every Monday and Tuesday after school and every Wednesday and Thursday morning be-

fore school. Every Thursday after school the team had videotape sessions to watch the game from the previous week. The team's record improved greatly this year, and look for even better results next year.

# '13-0' Undefeated

## Varsity Wrestlers Have Strongest Team In At Least 20 Years

**T**he 1985-86 Varsity Wrestling Team had one of its best seasons ever! Led by a strong pack of seniors, the team fought and trained until they were able to clinch the number one G.C.C. title. The team lineup included: Harry King at 98 pounds, Joe Aquilla at 105 pounds, Chris Papouros at 126 pounds, Gary Paparizos at 132 pounds, Sherman Walton at 138 pounds, Steve Cooney at 145 pounds, Joe Scolaro at 155 pounds, Tom Holland and Tony Lauria both at 167 pounds, Bob Anderson at 175 pounds, Chris Drage at 185 pounds and heavy-weight Richard Brewer.

The wrestlers started off their season with taking first place at the Richmond Heights Tournament. This tournament proved the first of many exciting matches including Maple Heights, Mayfield, and Mentor. These three matches were the biggest and most competitive bouts in the G.C.C. Captains Jack DeBoe and Chris Papouros led the team as the outstanding records of seniors Brad King, Joe Scolaro, and Chris Drage contributed to the team's success. Sophomores Harry King, Tom Holland, and Rich Brewer, and juniors Tony Lauria, and Joe Aquilla all showed strength and show

promise for a strong 1986-87 season.

Wrestling is a sport which demands real determination. The wrestlers, under the watchful eyes of Coach Harry King, trained and worked hard. On top of the workout, all wrestlers had to make the required weight every Friday, calling for a week of dieting and will-power. But the hard work obviously paid off. Determination, intensive training, and strong team spirit all combined to make the 1985-86 wrestling team undefeated G.C.C. champs.

S. Sezun

R. Brewer going after his opponent.

# Sports Helpers

## Basketball Aides:

What could be more important to a winning Euclid Basketball team than a clean floor to play on? Thanks to the hard work of this year's basketball aides—the floors were swept both before and after games. Not only do basketball aides ensure a clean playing surface but also come to the rescue when injury calls.

## Swim Timers:

Who would have known what a successful year the swim team had if there had not been swim timers nearby to keep times, record results and run scores to the judges? Swim timers are an essential factor in each meet because absolute accuracy determines a win from a loss.

## Hockey Aides:

Hockey aides play a very important role in each hockey season. Their job is to record the statistics of each game. The stats include anything from how many goals scored in each game to who scored them. With hockey being the quick, action-packed game it is, sometimes being a hockey aide is not as easy as it appears.

## Wrestling Aides:

Wrestling is a contact sport, there's no question about it. It is because of this that wrestling aides are very necessary! Keeping mats clean by sanitizing them and wiping them down just begins to point out a wrestling aide's job. They must always be ready, with ice in hand, in case of injury.

Overall, sport aides contribute greatly to Euclid's victorious athletic teams. The coaches and players alike are indebted to their aides. Another aspect of being an aide is to offer moral support when it looks hopeless or to congratulate on a game well played.

# On The Right Track

## Indoor Track Team Compiles Excellent Record

heart and Soul. Our Indoor Track team had it. The team clawed its way to every victory. This year's team had something it lacked in previous years: Depth and Dedication. There were some standouts, but mostly the victories came from team effort. The team romped to victory time after time, not on first

places, but on seconds and thirds. There were exceptions, like West Tech, where the Panthers swept practically every event. But in most cases it was the dedication of the team that was responsible for the many victories.

Guys and gals pushed themselves to the limit, not only in practices, but in meets. The team's commitment was de-

scribed by Coach Ramlow this way, "You push yourself until you hit the wall, and if you are a Panther runner, you reach down deep inside for something extra." This year's team, the boys and girls, did just that.

# Struggle For 1st Place

## Boy's Swim Team Returns To Championship Form

**T**he results of this year's boys' swim season exemplify the word "unexpected." Few observers would have predicted a GCC finish higher than third or fourth. However, these observers were proven dismally wrong. The swim team boasted a 4-1 record in the GCC Conference and an overall record of 8-3. These re-

sults were good enough for a league finish of first.

This rise to the top was not without its difficulties. The team members had to work very hard, pushing themselves to the limit. Many swimmers improved greatly from previous performances. Says Junior swimmer Mike Mehls, "This year's team really sacrificed

alot. But in the end, it looks like it all paid off." This perseverance did, indeed, pay off, and the boys' swim team is to be commended for its overwhelming efforts and accomplishments.

# A Superb Season

## For Sixth Year In A Row, Swimmin' Women Are #1 In GCC

**T**he Euclid "Swimmin' Women" never faltered this season. Not only did they fulfill the goal of being G.C.C. champions for the sixth consecutive year, but they were undefeated as well! The team opened the season with a victory over Berea and polished off with a final win over Bedford. "We have overwhelming depth," said coach Dan Maxon. "In the first few years we had a lot of individual stars. In my tenure I've emphasized the

team more."

The pantherettes won three events and placed four swimmers in the top twelve in seven events to win the championship. Individual champions were D. Virant in diving (347 points), Uta Henze in the 200 freestyle (2:08), and the 400 free relay of A. Dehner, K. Bell, and D. Turpin (4:06).

**E**uclid High School has a strong tradition in the academic area. Students are given many opportunities to excell in whatever they wish. The fine teachers that we have here enable students to realize their academic goals. Euclid is well known for it's academic accomplishments.

*Facing Page: Some typical Euclid classrooms. This Page: Above Left: Mr. Yocum explaining scores to E. Leonardi, K. Kernz and B. Pointkowski. Left: J. D'Apollon working on his Chemistry test. Above: P. Vihtelic, R. Dureiko, and D. Mansperger waiting for their crucible to explode.*

# The Ultimate Leaders

Once again, the Superintendent of the Euclid schools, Dr. E. Husarik, did a fine job running our school system, with the help of our Board of Education and other important administrators. At Euclid High, this school year, many new teachers were hired and several new important materials and supplies were purchased. Mr. Lombardo, Euclid's principal, along with Mr. McGuinness, kept the school running smoothly. Lombardo, as only his second year "in charge", has got a good grip on what makes this school prosper-spirit, discipline and the right curriculum. Many other counselors contribute to the fine administration at Euclid. A change for next year's school system that should be noted is that Dr. Husarik will be transferring to somewhere else, and a new Superintendent will be chosen.

-M. Mihalick

# Guidance/Enforcement

**T**he population at Euclid includes not only students, teachers, and office personnel, but also those that help make up the non-teaching staff. Their job is to relieve the teachers from certain duties. "Who are they?," you ask. They are the counselors, the paraprofessionals, security aides, secretaries and the custodians.

The security aides, along with the paraprofessionals, make sure that school codes are followed. This includes checking I.D.'s and hall passes.

Paraprofs have had at least some teaching experiences. Euclid has four of them. The sec. aides don't have to have a teaching background but they have had some background in relating to young people.

The counselors make up a large part of the support staff. There are two counselors for every grade level. Their job, along with the organizational help of their super secretaries, is to aid students in vocational, academic and career goals. When the counselors feel

that there is a specific need for a student, he might be referred to the chemical dependency counselor, the career counselor, or one of the two home/school counselors. they also help the student to reach their goals in life.

Last but not least, the custodians should receive some recognition in keeping our beloved school in good working condition.

-K. Morris

Senior Counselors: B. Barker, and T. Coughig. Junior Counselors: L. Davis, and R. Krup.

Sophomore Counselors: V. Baraniuk and S. Harris. Freshman Counselors: A. Fox and A. Russo.

Paraprofessionals: E. Barbish, L. Clapacs and P. Fasciano, G. Eddy and J. Exum.

Paraprofessionals: G. Martinsen, P. Turk, and C. Watkins. Cleaning lady V. Ardomic and paraprofessional C. Campaletti.

# Keep It Running

Jenkins, evening custodian.*

# You Can Count On Them

## Everyone Needs To Know Some Math

**I**n today's ever changing world there are few constants. One of the exceptions is mathematics. As most of the general public knows, this department teaches various aspects of math at varying levels. These include everything from Mathematics of Modern Living to Calculus. Although the average student probably loathes math it is a subject of dire importance. The development of logical thought patterns will help the aspiring student in all facets of life.

-M. Peters

TOP LEFT: MATH DEPARTMENT; R. Rack-ovan, C. Clements (Department Head), R. Roberts, D. Wensing, C. Reno, M. Durbin, P. Serra, A. Pawlowski, A. Miskinis, F. Sallach, S. Sanborn, F. Jirovec, J. # Studying A Changing Society

**T**he goal of the Social Studies Department is to teach students not only history or geography, but also to educate students to be critical thinkers and knowledgeable participants in the democratic process. Whether in World History, American History or European History, students are encouraged to not just read and memorize facts, but to develop a reasoning process and a relationship between our past and present problems. Essays and discussions are often encouraged to help students truly understand their work. Mr. Frank Hoffert heads the Social Studies Department and among other responsibilities, helps select books, develop the budget, and form the curriculum. Each year, Mr. Hoffert and the other teachers of the department help choose a recipient of The Social Studies Award, which is given to an outstanding student involved in community and school service. In addition, many scholarships are given out to students who show an interest and achievement in the area of social studies.

Supancic study the history of the apple in Ohio.*

# Foreign Language Knowledge Shrinks The World

**U**nder the direction of Miss J. Simonich, the Foreign Language Department strives to teach students the basics of another language and an appreciation for foreign cultures. Mr. Maxon, Miss Garza, and Miss Black were added to the department this year.

"Our foreign language teachers help prepare us to travel far and near, to explore with better understanding the similarities and differences among the countries of the world. World understanding is becoming every day more important. Euclid High School and the study of a foreign language provide us the opportunity to take the first few steps." -J. Simonich.

-K. Black

Above: J. Simonich, Foreign Language Department Head. Top Right To Bottom: G. Hodgins, A. Fellague, M. Garza, S. Pla, T. Gubitosi, K. Black, and J. Simonich. D. Mann, M. Meyers, B. Kumar, B. Wolowiecki, T. Schmeling, R. Penny, K. Maroli, and J. Samuel alert in class. M. Garza in class. A. Saracevic, B. Dragolas, and K. Marali working hard.

# Special Care For Special Students

**A** new means of scheduling which computer codes each course and level to each teacher has afforded "good class size and more individual time with each student," says department chairman D. York.

Fifty-three students, three teachers, and a work-study co-ordinator comprise the Special Education Department at E.H.S. J. Addis was a new addition this year, and D. Saywell is

currently teaching in Japan on a two-year leave of absence.

As a part of social development activities, the students create teams and bowl weekly. Trophies are awarded for top-ranking teams and individuals.

As a special privilege, the students were invited to the Michael Stanley Band "Make a Wish" concert at the Front Row Theater in December. "I was impressed with the band's compassion toward the unique audience," says

J. Haffer. Headed by W. Attamante, work adjustment and evaluation processes leading to on-the-job training are provided to the students. Auto repair, welding, clerical skills, and home and community services are some of the areas in which the students learn skills. This program leads to full employment by the senior year.

-K. Black

Top left: Special Olympic winners show off their medals. Bottom left: Special Olympic participant is encouraged by a friend. Above: Special Education Department members. Back row: Department head, B. Attamante and D. York. Front row: J. Haffer and J. Addis.

# Science Department Strives To Keep Abreast Technical Progress

**G**obtaining abilities to observe, calculate, and reason is what the Science Department offers in physical and biological sciences.

Two new teachers B. Drew, biological science, and R. Wherley, chemistry, were added to the department this year. "I emphasize the interdependence of all branches of science," said R. Wherley. "This gives students a broader perspective of the importance of science." B. Schmeling conveys how important chemistry is in daily life by relating classroom activities to those which occur in a typical day of a student.

The department makes use of the Madison Field Site, planetarium, greenhouse, and lab facilities for hands-on experience for students.

Knowledge of science skills is important to everyone for as Dwight D. Eisenhower said, "Science is a little bit like the air you breathe it's everywhere."

Top: Science Department: B. Drew, S. Freedman (Department Head), K. Black, R. Wherley, F. Soltesz, D. Francetic, B. Schmeling, B. Gooding, C. Torrelli, B. Von Benken, P. O'Breza, T. Halbedel, and R. Backos. Middle: J. Barcza. C.

# How To Communicate

**E**nce again, Euclid's English department has maintained high standards of excellence. Led by third-year department chairman Mr. Petrovic, this year's English staff is both talented and dedicated to each student's needs. While many students may belittle Euclid's compulsory Euclid's courses, these classes are among the most valuable in high school. Knowledge and appreciation of the language and its uses can be utilized in many other classes, such as history or science. Furthermore, today's English class can help prepare a student to communicate more affectively in the future. Finally, students can be taught to appreciate fine literature by being exposed to acclaimed works in English class. Utilization of many of the skills gained in English can lead to a rewarding and fulfilling life after graduation.

# Mechanical Advantage

## Industrial Arts Allows Students To Work With Their Hands

**T**he Industrial Arts department at Euclid Senior High School placed their emphasis on keeping up with modern technology. Mr. Dick Contenza, who is retiring at the end of the year, spent his first year as department chairman putting more modernized equipment in the classroom. Besides new leadership, there were two new teachers, Mr. Kestner and Mr. Kain. These teachers have brought a new energy and more current ideas that coincide with modern trends.

The curriculum is being changed to meet the needs of more students, for example, there is a new class called Tech Mech. The department expects to see more change in the future to keep up with a fast changing, technological society.

# ***Sweating The Details***

## ***The Only Place Where You Can Wear Shorts Without Being Suspended***

**T**here have been two major changes in the Physical Education Department: upperclassmen are no longer required to take gym, and classes are no longer co-educational. The junior class reacted favorably to taking gym only as an elective course, but reaction has been more apathetic toward the latter change. Some students feel that this is a change for the better since there will be no competition between the sexes. Also, some of the teachers have moved to new jobs in the school. Mrs. Audrey Fox is now in the counseling dept. and Mr. Dan Maxson is now in the English and Foreign Language Dept. They have been replaced by Mrs. Donna Paderwski and Mr. Tom Banc.

-C. Cummings

 times gets a little "ref".*

# Learning About Home-Work

## Students Learn About Home Life And Child Caring.

**C**ontrary to popular belief, "Home Ec." does not refer to a single cooking class! In fact, the Home Economics Department at Euclid High is very diverse in what it has to offer students. This year, students were offered a wide range of course options. Students chose from Clothing & Tailoring, Modern Living, Vocational Child Care, and Foods & Nutrition. Such courses better prepare

students for almost every aspect of life after high school. Two foods classes educated students not only in food preparation, but also in essentials such as nutrition and diet. In Vocational Child Care classes, students were educated in caring for small children and had the opportunity to actually work with children during the school day. Clothing classes centered on wardrobe construction and some tailoring tech-

niques, while the Modern Living class helped students to tackle the personal and family problems they may face later in life. All in all, the "Home Ec." classes are a favorite among E.H.S. students because they apply directly to many of the facets of life encountered after Graduation.

# Occupational Retailing

## Occupational Programs Allow Students To Learn About The Business Field

**E**uclid High School is very fortunate to have a variety of courses in vocational education. For example, the Diversified Cooperative Training course provides on-the-job training for seniors interested

in small businesses and major industries among other related occupations. Euclid's Distributive Education provides on-the-job training for seniors interested in wholesaling and distribu-

tion. All the vocational education classes are an important step in preparing students for life after high school.

Lawrence, S. Haney, S. Fannin and R. Leonardi working in the DE room. Right: T. Capuozzo in front of 'OWE at work' sign.

# Parents Go To School

**T**his years EHS had two open houses. One in the fall at the end of the first grading period, at which each parent followed his son's or daughter's schedule. Then on January 30th and 31st parents again came to school, but this time they picked up their child's report card and were able to have a 5-minute conference with any teacher they wished to about their child's progress.

-D. Braidich

Parents were given the chance to confer with their child's teachers, such as Mr. Gooding, Miss Black, Mr. Gubitosi, and Mrs. Wandersleben.

# UNDERCLASS

What do freshmen, sophomores, and juniors all have in common? They make up the majority of the students at Euclid High School- the underclassmen. In the 1985-86 school year, through activities, academics, and sports, this group showed us what this school's all about- pride and spirit.

-M. Mihalick

# First Impressions

The mole, Julie Sterbank, after having emerged from her locker, ready to attend class.

M. Ballish showing that he is a true, blue Euclid student after refusing to go home for vacation.

**H**undreds of freshmen joined the ranks at Euclid High School this year with many different first impressions. Two of the most mentioned ones were, "it's too big" and "I thought I was going to be lost." But a unanimous "Yes!" was given when the frosh were asked if they liked their new surroundings.

The girls, when asked about their opinion of Euclid guys was that they were "cute, friendly, and fun." Others claim they were "just average." On the subject of Euclid women, John Horton, a freshman guy, had the popular boys' belief when he said that Euclid girls "look maahvelous!"

Coed gym classes seem to be wanted back by the frosh. On the other hand, some girls think that if the guys want to play harder, they should have gym by themselves.

# Siblings At School

## Older Brothers/Sisters Can Be Good/Bad

**T**here are many students with older siblings at school but they disagree on whether it is an advantage or a disadvantage. Some underclassmen like this because they get a ride to school. Junior Chad Ramlow likes to have his sister Robin

around school because then they meet a lot of people and have mutual friends. On the other hand, freshman Kim Dembek doesn't like her older sister in the halls because she teases her. And a common problem stated by an anonymous junior is that a lot of teachers get

them confused and call them by the wrong name. All in all, having brothers and/or sisters at Euclid can be helpful to many students, but it can also be a hindrance.

# Good Morning. Today Is . . .

Below: The morning announcements are heard in the homerooms because of the skill of M. Sterrick at the controls.

PANTHER PRESS

**G**etting started in the morning is not always the easiest thing to do. It's hard to be bright-eyed and bushy-tailed when all you want to do is to go back to bed. Despite this unfortunate face, however, there were a few Euclid seniors who were not only wide awake but also able to cheerfully greet the school each morning. These seniors were none other than the P.A. announcers. Although most of the announcers enjoyed informing everyone, Chanette Alvis claims, "There's lousy hours and lousy pay."

Basically, the P.A. announcers informed students of current school events and activities. Sports news, senior and staff birthdays and club meetings were all announced along with other miscellaneous bits of information.

Adding to the source of information for Euclid students was the Panther Press. It provided news concerning sports, underclassmen birthdays, upcoming school events, and even bits of trivia. The Panther Press, compiled by Mr. McGuiness, helped students keep on top of things . . . and the trivia helped pass the time in homeroom!

# Is There Life After School?

**W**hen you ask freshmen, "What do ya wanna do?" some of their answers might be to visit some friends, see a movie, or go to a sports event. But the most popular thing to do, freshmen say, is to just go to the mall. First of all, its free (most frosh don't work) and everyone is there. One can munch out at Burger King or shop for the latest fashion from Nike to For-enza. The mall is a great place to meet people, too. An anonymous freshman added, "I don't really care where I go, as long as I have a good time."

# Making Friends

**N**ext to getting a lot of homework in the high school, the new incoming freshmen usually worry about making friends. Various activities such as sporting events, clubs and dances are just some of the ways freshmen learn to get to know people. The upperclassmen help out

considerably. Despite the way the freshmen make friends, the most significant thing is for them to make their friendships last throughout their school years, making Euclid a great academic as well as social place to be.

# Highway To Heaven

**Y**es, this is the golden moment you have waited for all your life! As you turn 16, you dream of driving your date down 222, or cruising' to the mall. You have dreams of being "King of the roads" until reality finally breaks through. You have to attend what? More classes?? Oh no!! Not the dreaded Driver's Education course! Now you've heard about those movies where the bodies get mangled by care-

less drivers, but never thought you'd be subjected to such fascinating flicks. But, sure thing-once or twice a week you have to watch movies filled with blood and gore. Not to mention those thrilling traffic laws you have to memorize. But, before you know it, you finally are to practice behind the wheel. However, (much to your surprise) you are greeted by an old, grouchy instructor who insists on "complete stops"

and doesn't even listen to WMMS. After seeing absolutely no rhyme or reason for having to drive forwards and backwards through some cones, you begin to wonder if life wasn't easier at 15. But, you know what? I bet if you ask anyone who's ever taken Driver's Ed, that they'd agree all the aggravation was finally worth it in the end when you get your license and finally hit the highways.

-S. Sper

# Diversions

**U**nderclassmen spent their time doing some of their favorite hobbies, a few which are very strange. The students were looking for untraditional, different ways to keep busy.

Many seem to be sport orientated. They like watching as well as participating. Some prefer snowmobiling, cross country skiing, or rock climbing. One freshman would eventually like to climb the outside walls of the high

school.

In addition to sports hobbies, there were some stranger hobbies mentioned by underclassmen like fighting imaginary people and collecting pieces of hair. The older students prefer more sophisticated hobbies. Some examples are collecting computer programs and star gazing. Tom Wirbel likes drama. Whatever students like to do, it brings them great rewards.

-K. Morris

# Non-human Friends

**A**fter a hard day of putting up with the pressures of high school, Euclid humans look forward to coming home and being greeted by their faithful pets. Mr. Von Benken's sheepdogs, Mort and Taffy, greet him with a wag of their tails. Dusty, John Karnack's German shepherd, jumps on him when he gets home and then attacks his bookbag. Laura Totarella's doggie, Skipper, and Cathy

Zabloney's dog, Rusty, both sit by their doors, anxiously awaiting the homecoming of their "buddies".

Felines also play an important part in making their humans happy. Queen Elizabeth, Nate DeGidio's cat, purrs when he's around, while Bill and Kecia Bell's kitty, Gretchen meows at them for attention after they come home from swim practice.

Other unique and loved pets men-

tioned by students were Jeff Coy's tarantula, Karen Balogh's bird and an anonymous student's goldfish. To many students, their pet plays an important role in their lives. Senior Jackie Strauss wants a puppy so when she doesn't do her homework, she can say, "My dog ate it!"

-M. Mihalick, Bob Catt

# Geometry: A New Angle

Think geometry is boring? Try explaining this phenomenon without it!

**S**ophomores, hyperbolas, protractors, and theorems-what do all of these things have in common? They're all a part of our favorite math class, geometry. This course is very special to our school because the Father of Geometry is Euclid. Name sound familiar? This class is important because it teaches students how to develop ideas by logical reasoning. Senior Tom Augustine, a former geometry student, claims that since he is going to be an architect, geometry is crucial. So sophomores-don't complain when you have to bisect a right angle or draw an isosceles triangle. You might be practicing for your future career... or at least just learning how to think!

# Vocational Classes: A Head Start For The Future

**N**o money for college or just not interested in the regular math, English, and history studies? You can still be successful and get a good job by joining a two year Vocational program. These programs at Euclid range anywhere from automobiles to stenography. By the end of the second year, one can be qualified for that specific job. The student can have a head start in his career in art, business, repairing cars, styling hair or even taking care of children. An anonymous junior stenographer comments, "It may be a little hard work but its worth it."

# Getting Physical

## Phys Ed Classes Offer More Choices.

**T**raditionally at Euclid, electives for gym classes were offered to sophomores and juniors. But, this year being the first year that gym wasn't mandatory for juniors, freshman were given more freedom in their physical education courses. All freshman were required to take one semester of health class. Also, all freshman and sophomores were required to take swimming class. However, students were free to pick their favorite activities for the rest of the school year. Archery, tennis, and ice-skating were on the top of many student's lists. Although all students had to take the dreaded physical fitness tests twice a year, most found gym to be relative enjoyable since they were given the freedom of picking their own activity schedule.

-S. Sper

# Welcome Parents!

**O**pen house this year was on Oct. 2, 1985 at 7:30 pm. It gave parents an opportunity to see what their children were doing at EHS. Parents started with homeroom and followed through all eight periods of a typical day in shortened form. It provided teachers with a chance to talk about the courses students were enrolled in.

Along with usual classes, parents were able to see a girls' volleyball game, Mr. Francetic with the Halley's Comet Preview in the planetarium, and facilities of the

east gym, library, career and unit offices.

Parents were even able to take a look at some of the extracurricular programs. Upon visiting the library, parents could find a Euclidian table, Survey table, Eucuyo table and Key Club table. Student Council's table could be found in the cafeteria and spirit wear was sold in the bookstore.

The open house "committee" worked hard, making the night very successful.

# Bummin' Around

**W**hat to do when the homework is completed is a problem which many high school students love to face. In school, there are clubs like AFS or outdoor club that one could occupy their time with or maybe they could take in a baseball game or swim meet. Out of school, many like to relax, listening to the latest tunes or watching T.V. and catching the next program of General Hospital.

Even in this world of pre-fabricated fun, students still like to curl up with a good book or make something creative. Collecting things is a way to fill the time gap.

Freedom to do virtually whatever they desire is something Euclid students take advantage of and don't waste. So next time there's "nothing to do" put the ole' imagination to work and fill that precious free time.

-C. Majers

*Top:* In her free time, L. Totarella creates a human sculpture out of C. Cickavage, B. Grubb, and J. Vanah.

*Right:* Watching T.V. is one thing C. Juratic does when bummin' around.

*Far right:* Free time to B. King and J. Hurney means showing off their muscles.

# Our Favorite Teachers

## Juniors Pick Their Favorite Teachers

**A**ccording to our poll, the top twelve favorite teachers of the junior class are:

- 1) Mr. Godfrey- Music  
Mrs. McLaughlin- Drama,  
English
- 2) Doc. Powaski- U.S. History
- 3) Mr. Lowe- English  
Mr. Serra- Alg. II, Geometry
- 4) Mr. Pawloski- Trigonometry
- 5) Miss Bambic- English  
Mr. Hartman- Am. History
- 6) Dr. McNeilly- Am. History  
Mrs. Ramlow- English  
Mr. Simpson- Tec. Mec.  
Mrs. Tkac- English

-J. Chen

**FAR RIGHT:** While pondering the infinite, Mr. Serra shows off his shiny new watch.

# Underclassmen's Favorite Stars

**B**ruce Springsteen seems to be the most popular entertainer with Euclid's juniors this year. In the rock category, Van Halen, Phil Collins, and Prince followed him.

In the video dep't. "Money for Nothin'" by Dire Straits and "Smokin' in the Boy's Room" by Motley Crue were most popular along with, of course, Bruce Springsteen's "Dancin' in the Dark".

Television shows which ranked highest were Miami Vice, The Bill Cosby Show, and Moonlighting. Movies that were most popular were Back to the Future, Rambo, and The Terminator.

WMMS, 100.7 topped off the most listened to radio station followed by 92 Q, WRQC, and finally 98.5 WGCL.

# Who Do Juniors Admire?

**T**he results we got back from the class of '87 show that their heroes ranged from politicians to musicians, from royalties to friends.

## Living Heroes

- 1) Sylvester Stallone
- 2) Mother and/or Father
- 3) Bruce Springsteen
- Prince

Other interesting favorite living heroes included Princess Di, Mr. Lombardo, and the entire yearbook staff (thanks!).

## Non-living Heroes

- 1) Elvis Presley
- 2) Superman: John Wayne
- 3) Martin Luther King

More non-living heroes included Gandhi, grand-parents, Jesus, and Smokey the Bear.

# Next year We're "At The Top"

**A**sk any junior and they'll all tell you the same thing - they can't wait to become seniors! Senior year for most students means Senior Talent Night, prom, graduation, and lots of fun. Most juniors can't wait for their last year at Euclid because, as one junior put it, "It's the most awesome year of high school!" But, many juniors are not so enthusiastic about becoming seniors. As seniors, students must make career plans, take placement exams, apply for colleges, or look for jobs. Even though senior year can be a bit scary with the "real world" lurking so close around the corner. The members of the class of '87 can't wait to take on the challenges that senior year brings to everyone. There is no doubt about it; everybody had better watch out 'cause the class of '87 is ready for an unforgettable year of high school.

# Preparing For College

**D**on't worry! The test you are about to take will just determine your entire future! No sweat! As you sit down with your two #2 pencils, you eagerly await the testing session to begin. What test are you taking? For most juniors, it is the PSAT, (the Preliminary Scholastic Aptitude Test) or possibly the SAT itself. Most students interested in college take the PSAT at the beginning of their junior year as a sort of practice

for the much longer SAT.

The SAT is required of all applicants for private or out-of-state schools. The PSAT is a 2-hour test of verbal and mathematical questions. At the end of the junior year, a great number of students take the SAT and/or the ACT (American College Test), which is required for all state school applicants. These tests are lengthy and very involved. The scores on these tests very well might determine one's future.

So, why are you so calm? The reason is because you have been to the PSAT and SAT review sessions offered by the excellent staff at Euclid High School! You are confident you will do well because you have received the finest high school education available anywhere. You sit back and relax, hoping to join the lists of many other finalists, semi-finalists, and commended students that have attended school at Euclid.

# Blood Drive '85

**E**veryone knows that Euclid's students are the best, but this year's annual blood drive actually confirmed that the Panthers are not only spirited, but are caring and giving too. Students who had reached their 17th birthday were eligible to sign up in the cafeteria to give blood to the Red Cross Blood Drive. Over 110 students helped out including Bill Grubb. Bill claims that he donated because someday someone might be in an accident and need blood so he has to do his civic duty. The procedure takes about one hour, with most people staying longer to rest. To increase their blood sugar, students were given cookies and their choice of either soup, hot chocolate, coffee or juice. An anonymous donor says that they didn't donate because of the free "goodies" that were given out after but because, "One day I plan on becoming a doctor and I realize how important it is to give the 'gift of life'." A total of 84 pints of blood were donated by EHS students showing that Panthers truly have spirit- the spirit of giving. Next year, the turnout should even be better because of the success of this year's drive.

-S. Sper, M. Mihalick

**BIG PICTURE:** This bloods for you. **TOP RIGHT:** Even though you don't receive Thanksgiving Dinner, you are able to have cookies and punch. **BOTTOM LEFT:** The boys are enjoying a meal fit for a king.

# SENIORS

**T**he senior class of this year, the 86-Pack, is the first freshmen class at Euclid High School to graduate. Because they've been here for four years, they have gotten more involved in school spirit, clubs and activities than any other previous class. The highlights of the seniors' last year at Euclid included Senior Elf Day, Senior Talent Night, senior portrait taking, and last but not least—prom. A change in this year's scheduling was the date change of the senior talent show—which was switched to November, an early date compared to other shows.

—M. Mihalick

*Top:* Senior L. Davis gets support from J. Scolaro and J. Supinski while B. Bell looks on. *Mid Left:* "Hmmmmmm . . .", M. Mihalick thinks up a word for her crossword puzzle. *Above:* D. Mannello is happy he's with fellow seniors D. Lyon and P. McGlaughlin.

*Above:* T. Jarc who is at the manacurist, has a smile on his face. *Above Left:* Here's D. Lucci, finishing off her 100th cookie in fifteen minutes. *Right:* D. Sopko and P. McLaughlin are going to miss their hamburgers after they graduate.

## The "86 PACK"

ready to show their

Top Left: Greek philosopher, Tom Jarce, asks Rose Gubitosi, "Why is your father making us dress like this for Latin class?" Top Right: Senior elves, A. Suponic and L. Mayle think they are Siamese twins. Far Left: T. Yehl shows us his large hand while C. Cickavage ignores him by taking a snooze. Left: Mary (Olivia Newton John) Wirbel tells the audience at Senior Talent Night, "I Honestly Love YOU."

## Romantic Rendez-vous

**S**o, it's your average Friday night in Euclid. You are all set to ask that gorgeous girl out for a hot date. But where does an average person take his girl after a tiring week of tests and homework? If you are like most students at Euclid, (after you pop the big question in the E-room) you arrange to pick up your girlfriend around seven. You most likely would go to a movie at the Lake Theatre, or perhaps a dance, or a football game. After that, you cruise over to such fine eating establishments as McDonalds, Wendys, or Armaos. If its Saturday, you might head over to the mall with friends, or just "cruise". No matter what it is: going to parties, going out on dates, going to concerts, or just sitting at home watching MTV, every student at Euclid sure looks forward to the weekends when they can forget the pressures of the academic life and just have some plain fun.

-S. Sper

## Attack Of The Green Gremlins

**S**enior Elf Day at Euclid High was, as usual, very successful. Many senior girls and guys sold the five dollar minimum in tickets for the elf drawing. The elves-for-a-day would do anything for their Santas from Christmas caroling to carrying books. The elves put the school in a Christmas mood on the last day before vacation. Top seller prizes were awarded to Lou Davis, George Beros, Lee Papouras, Heidi Besselman, Kathryn Brickman, Darlene Fair, and Rose Gubitosi.

**H**ave you ever wanted to vanish from a situation? Well, you're not the only one with such desires. Embarrassing moments happen all the time to everyone. If you don't believe it, then just keep reading as some seniors share their most embarrassing moments.

Have you ever noticed that there always seems to be a flock of people watching you when something unusual happens? Jeff Jordan knows this to be true as he recalls his most embarrassing moment. It was, "when I went out for my game with my sweatsuit on and forgot to put on my uniform underneath it".

Sue Haney's embarrassing moment happened at a bad time. "Patti Langdon and I were cutting class and I fell down the steps and made a huge scene!"

It's fun to laugh at these moments when they're over. Mike Woodcock laughs, "I went to my English class with Ed Gembariski, and he kissed me on the cheek. I laughed so hard I wet my pants!"

**M**any changes on the calendar were made this school year, starting out with Homecoming which was held about two weeks earlier. Since it was held at this time, Eric Burke said, "Oh man, I missed it, I had a game."

The next difference in the Euclid High schedule was the date of Senior Talent Night which was held on Nov. 15 and 16, months "sooner" than last year's show. Another senior, Scott Lah, who claims he's the president of the new Chris Thomas fan club, comments on this by saying, "Senior Talent Night showed great promise, especially the part where Carl Cickavage ran around naked(w/a towel on) but now there's nothing to look forward to at the end of the year."

More changes were also noticed by the 86-Pack. Winterfest was held on Valentine's Day weekend this year, the only problem being overly-priced boulenis and corsages. Burke adds, "Bogus, man, I had a game on that day." Finally, at the end of the '86 school

year, the seniors last day of school was later than the previous year's last day. Burke plans to make prom stating, "Coach says the season will be over by then."

**W**hat's the best defensive unit in the AFC Central division? "The Dawgs!", say senior football players, Scott Lah, Carl Cickavage, and captain John Martin. The Dawgs aren't only great guys on the football field but they're also great guys off. In December of '85, Brown's defensive player, Frankie Minniefield came to Euclid High School to raise money for the starving people in Africa. Along with the Red Cross and the

rest of "The Dawgs" (the defensive unit for the Cleveland Browns), Minniefield was here to sell a poster of himself and some of the other players, dressed in white tuxes, each with their own dogs. The posters sold for \$3.00 a piece, the money going towards hungry relief in Africa. Many showed up in the E-room to see and talk to "the Mighty Minnie" and to help out with the cause. Way to go Brownies!

light, slightly browned bun sits alone on a lunch tray. Beneath it, a golden-toasted wheat delight is hidden. It coats a veritable ambrosia of delectable chicken pieces-parts. Yes, kids, the vote is in, and the patty rules. Surveyed seniors responded overwhelmingly when it came to their favorite cafeteria food. And, of course, no one would betray their favorite compressed meat dish. Of the omniscient chicken patty, senior Sonya X. Sezun said, "it literally melts in one's mouth. Really, I wish they could serve it everyday!"

However, there were detractors. Led by senior Michelle Mihalick, this band of renegades supported such delights as pizza, burritos, and chicken nuggets. Said Miss Mihalick, "I think the patties taste like dry cat's tongue; I like burritos better, myself."

Overall, the food at EHS shall never be forgotten by the departing seniors. Nor shall the school forget the learned palates of the 86-Pack. Still, the Class of '86 will be remembered for voting the chicken patty number one. And adios to Michelle and her burrito

lovers.

**J**anuary, February, March, April - it's time for spring break! You dream of it for so long and finally the vacation you've been needing is here. What will you do during your ten day holiday? Do you already have your plans made for that fabulous trip to Florida? The seniors do!

When seniors were asked about their plans for spring break '86, 60% replied that they had their tickets for Florida already ordered! Rochelle Pittock describes her plans like this. "Twelve of my friends and I are going to Fort Lauderdale for sun and fun and we hope to miss our plane home!" Trips to the Bahamas and Myrtle Beach are on other seniors' minds as well as jaunts to various college campuses. Yet, the seniors who plan to just stay home also have some definite plans. Heidi Besselman and Joyce Bukovac want to go to a tanning booth and say that they went south! Others plan to work and save money for college.

Whatever they have planned, all of the seniors agree that it will be a time to RELAX!

## Marti Runs In Kenya

**M**arty Tomasi, as part of the National Sports Exchange, made a trip to Mombasa, Kenya, to compete in a 3.1 Km. road race, this past Christmas. He finished 39th out of a field of 80, and passed out shortly after completing the race from the 110 degree heat.

Of course, while he was there, Marty had the chance to go on safari where he did some photography. Adventures? He

had plenty of them. Driving baja cross-country and losing an axle on one of the trucks during a safari were two.

Marty, an N.H.S. member and A.P. student observed that while Kenya on the whole is not as advanced as America, it is not a "backward" country and that the people there are just like the people here.

Every Euclid High School student has had an embarrassing experience that will make him turn red twenty years from now. It could be anything from falling up the stairs into a stranger's arms to falling head first into a garbage can. Some students were brave enough to share their humiliating incidents through a yearbook survey. Some of the more memorable responses were as follows:

-Being caught on film torturing Mr. Von Benken's mole, Marvin.

-Taking off your sweats before a game and suddenly realizing that you forgot to put your uniform on.

-Being caught trying to smuggle food out of the cafeteria.

-Tripping on the way to scoring a goal.

-Missing a simple layup shot during the basketball game.

-Showing off in swimming class by almost drowning.

-Watching your biology experiment grow mold when you were supposed to be growing seeds.

-Typing much of your paper without looking and finding out you didn't have your fingers on the home keys.

-Watching your bow during archery class go sailing away from you since you forgot to hold it tightly.

-Riding your bike in traffic and falling down at a stop light since you forgot to take your feet out of the toe clips.

-M. Ballish

**E**ric Burke, a Euclid senior, has been playing on the Cleveland Americans, an all-star hockey team made up of individuals from suburbs of Cleveland, for five years. For three of these years Burke has been captain and the team has accomplished a great deal. They've won state, district and regional trophies and a fourth place in the Nationals. Led by Burke, the team won regionals in the biggest hockey tournament in their league, Silver Sticks. The team also was the only team from Ohio to compete in a tournament in Quebec, which included only fifteen teams from the United States. Eric admits that he wishes he could have played on Euclid's hockey team and be with his friends but he doesn't regret playing with the Americans and had some pretty good times. In addition to this, Burke claims that being on the team gets him better "college recognition" and more and "better competition." Eric plays hockey all year round and enjoys what he does but claims it's hard work.

Eric Burke ready for his next hockey game.

**S**enior woman Karen Balogh often sits in 5th European History and ponders the infinite question, "What should I do in 7th period studyhall today?"

Class mates Lisa Frasher and Michelle Mihalick often answer, "There are many options, Miss Balogh." First Lisa states a few of these options. She says, "You can go to the library to research your favorite topic, go to the Language lab and study the French, German or Spanish lessons or visit the computer lab and work on that overdue lab."

Michelle adds, "Good thinkin', Lisa, but maybe Karen would rather just stay in studyhall and finish up some homework or just talk to her buddies- the options are endless."

Another anonymous student adds, "Karen, you know you can always help out the office by running errands for the secretaries!" Karen Balogh, totally confused by the endless choices, chose to exit out and go home to watch her favorite soap.

-M. Mihalick

Above and below: After studying, Euclid students enjoy getting out and enjoying themselves at a dance.

**T**he future always seems far away. It is often something people don't care to think or talk about because they are unsure of what they want to do. well, the seniors were polled and many do know precisely what they will be doing in the future - or so they hope!

Few were undecided at all about the future, 18%. Yet, Sonya Sezun expresses well her feelings. "Ten years from now I'll hopefully know what's going on because I obviously don't right now!"

One thing that the seniors agree on is the fact that they will be rich. "Ten years from now I will be married to someone independently wealthy and, of course, be happy," states Mary Wirbel.

College will be a part of 50% of the seniors' lives. Kent State University, Ohio State University, and Ohio University are some of the colleges that

will be attended by the class of 1986. Possible majors include music - the top choice - as well as engineering, journalism, and interior design.

For some seniors the future appears to be a dream world. jacqui vanah writes, "Ten years from now I am going to own the Cleveland Browns and make them America's team!" (good luck Jacqui!)

Whatever comes your way, the Yearbook wishes all seniors good luck and may all your dreams come true!

**P**rom. This word starts many minds dreaming of the perfect evening. How will the class of 1986 spend that night? The Senior Class Cabinet has set the date and the place: June 4 at the Villa and Casa di Borally and has proposed an after-prom. What else do seniors have planned?

Prom is a topic on many of the seniors' minds as 82% of those polled responded that they plan to attend Prom 1986. Most also have decided to arrive with class in a limousine.

After Prom, the seniors mention going to a party, having a private dinner at a restaurant, or attending the proposed after-prom (58%). Some seniors get so carried away with the closing of their high school careers that they just want to do everything! Chris Rocco shoes his excitement as he rambles, "I plan on going to Prom and after-prom and to breakfast and commencement practice."

Whatever the seniors' final plans for Prom become, the Yearbook wishes all seniors a spectacular time!

**W**hat's another word for summer? Relaxation! That's the first word that pops into the minds of many seniors. For many twelfth grade students it is the last summer before college and they are ready to make it last a long time!

Many seniors are conscious of the high cost of college for 56% plan to work this summer to help pay tuition in the fall. Still thinking about their first semester next year, 11% of the seniors polled said that they will also be attending various schools during the summer to prepare themselves for college life.

Other plans for "Summer 1986" include 30% of the senior panthers who plan to travel to Fort Lauderdale, California, and Europe, while 19% plan to hide-out at the local beaches. Senior panthers also hope to visit and find "Mr. Wonderful!"

Whatever seniors do this summer, relaxation will remain the key word, as Kelly Russell says, "My plans for the upcoming summer are to kick back and enjoy."

R. Gubitosi

**A**fter going through tons of literature from universities, Technical schools, and the military, the seniors are at first overwhelmed with loads of informations.

Here are just a few samples of where some of the seniors will be attending:

- Karen Balogh will be studying economics at the College of Wooster.
- Jean Chen will be matriculating at Cornell University and major in biochemistry.
- Michael Perry will attend Wright State University in Dayton, OH.
- Scott Kovatch will be going to Case Western Reserve University, matriculating in the fields of computer science and business management.
- Diane Rossmann plans to attend OSU-Agricultural Technical Institute and become a Veterinarian Lab Technician.
- John Racker plans to study Aerospace Engineering at University of Cincinnati.
- Matt Roberts plans to study mechanical engineering at University of Akron.

Mary Segulin displays her locker and her artistic talent.

## Final Words

- Marty Tomasi plans to flee the United States and become a shepherd in the fields of Afghanistan.
- Pete Pappas' last saying was, "INCREDIBLE!!!!"
- The last statement heard from Rose Gubitosi was, "I plan to be the next mission specialist and live on board a space station with . . . ."
- An anonymous informed the Euclidian Staff that Joe Spike Felden is joining a motorcycle gang.
- Tom Lewin plans to be a Physics Teacher!
- "The horror, the horror."

—Joseph Conrad & Ray Sekerak

- John Barcza utters "Good Bye! Farewell! I hope to get out before the bomb goes off!"
- Jean Chen exclaims, "Let's blow this popsicle stand!"

Top Left: Three's a charm. Top Right: S. Kovatch begins to fall asleep while taking the chemistry test. Below Left: The Senior Class expresses messages of joy and happiness. Below Right: E. Chamoun, W. Wramer, P. Thomas, K. Nebe contemplate on who gets to have the purse.

# ADVERTISING

*BELOW:* M. Ballish and his Homecoming date. *TOP RIGHT:* G. Pinta and G. Paparizo try to find a scientific explanation for why the cafeteria food tastes so bad. *MIDDLE RIGHT:* Euclid students express their inner-most feeling of being Madonnas. *BOTTOM RIGHT:* You may think that Garfield is sitting on the end of D. Glover's nose, but it is really a product of K. Balough's artistic ability.

**A**dvertising is important to the production of a yearbook to help defray the cost to students. Sales were down this year; only approximately \$2,300 worth was sold due to a decline in effort by the business staff. Despite this fact, no additional cost was added to the price of the yearbook.

*If You Think Anyone*

*Can Do Senior Portraits*

*..... Think Again*

*Hail to thee, O Euclid High School  
To thy name all praise we sing.  
Happy days of youthful pleasure,  
Learning, living, life so dear.  
Our hearts fill with gratitude  
For all that is to be;  
Alma Mater Euclid High School,  
All our praise we sing to thee.*

*Where the blue of Erie's waters  
Casts the sun's bright golden rays,  
There all Euclid's sons and daughters  
Sing the joys of student days.  
If after days be dark and drear,  
And storms of life draw nigh,  
The memories of our friendships here  
Will lift our hearts to Euclid High.*

## COLOPHON

925 copies of the 1986 *Euclidian* were printed by the Jostens Printing & Publishing at State College, Pennsylvania. The book is printed on Gloss 191 Paper Stock and includes eight pages of natural color and eight pages of spot color. Times Roman Bold type is used throughout the book, with body copy set in ten point size, caption copy set in six point. A poster style dropped initial is used in all body copy. The cover was designed by Co-Editor-in-Chief, Michelle Mihalick, and the actual artwork was done by Vocational Art student, Mike Woodcock. The final deadline to insure on-time delivery of the book was February 28, 1986.

## THANK YOU

Credit must be given where credit is due to all the "behind the scenes" people whose efforts resulted in the 37th volume of the *Euclidian*. First and foremost thanks go to Advisers, Mr. Von Benken and Miss Black for their invaluable hours, days and months of hard work and fine leadership. Others involved who should be thanked are Raimor's Studios for their processing and printing photographs, Jostens' yearbook company for "putting it all together", the multitudinous fine amateur writers and photographers that walk the halls of Euclid (disguised as students), the leaders of our school—Mr. Lombardo and his staff, and last but certainly not least, the entire student body of Euclid High School without which this book could not exist.

## GOOD LUCK!

With all the diverse interests and personalities of the student body of Euclid High School, the 1986 *Euclidian* goal was to depict each one of these individuals as best it could. In each one of their activities, whether it was sports, clubs or academics, the *Euclidian* attempted to capture just a moment in these changing times. This year was one of many changes: new clubs, new students, and a new schedule of events. The *Euclidian* apologizes for any spelling errors or any other mistakes which may have occurred on its pages. In addition to this, it wishes good luck to next year's staff who will bring a new outlook on life at Euclid High School.

## A large, dense collage of black and white photographs depicting various scenes of student life, sports, and social activities. The collage includes images of students in classrooms, on the playground, in sports uniforms, and in social settings. A prominent text overlay reads "HANDS ACROSS AMERICA". The photos are arranged in a layered, overlapping fashion, creating a sense of a busy, active school environment. The text "HANDS ACROSS AMERICA" is written in a large, bold, sans-serif font across the middle of the collage. The overall tone is positive and celebratory, showcasing the diverse experiences of the students.

# The Boyfriend

A hush fell across the audience as the auditorium lights dimmed. The curtains rose, and the 1985-86 Big Show, "The Boyfriend" began. Mary Wirbel starred as Polly Browne, and Michael Fair as Tony Brockhurst. The musical was set in a girls' finishing school on the French Riviera. Maisie, played by Michelle Goodman, and Bobby, portrayed by Bill Balazs, set the pace for the search for the perfect boyfriend. The other romances were sparked by a costume party as Gina Midolo, Darice Pequinot and Amanda Sustersic, who played the parts of students in the school, were pursued by the lovesick Frenchmen: Scott Lah, Donovan Glover and Tom Wirbel. Even Polly's father, Vincent Kovacic, found love as the headmistress of the school, Melanie Senitko, turned out to be an old flame. Other fine performances were contributed by Raymond Leonardi, Cindy Mis, Todd Dickinson, Sonja Reno, David Kaleal, Mark Smith and Charina Castro.

-S. Reno, D. Kaleai,  
T. Dickinson

*Top Left: Madame DuBonnet consoles Polly. Top Right: "Let's have a beach party!" Above: Bobby and Mazie at the Costume Ball. Middle Left: "After all, she is French." Bottom Left: Dance the night away!*

# Vacancy In Paradise

"What do you get when a smooth-talking, quick-thinking publicity agent walks into a broken down place called Paradise Glen Cabins? The 1986 Spring Play is what you get! On May 15, 16 and 17 in the Little Theatre, "Vacancy in Paradise" was presented by the student actors at Euclid with Miss Carmody as director. After Wally Bigelow, played by junior Donovan Glover, comes to Paradise Glen, right away the place starts hopping. With help from a sailor, Mitch (Todd Trevarthorn), a hobo named Boxie (John Hilliard), a hired man, Jonas (Dave Kaleal) and others, the place turns into a romantic, fun-filled lover's paradise. Who would have thought that even the owner, Claire Danby (Paula Schaefer) and her daughter, Ellen (Tina Ilc) would find romance as well? Or that Lydia the librarian, played by Amy Terango, would turn into a hula dancer? At the close of the play, all are happy and in love at the Paradise Glen Cabins.

-M. Mihalick

Above: "Oh come on Lydia, the hula isn't that hard." Far Left: "Susie-Baby! That's great!" Left: Mr. Bennet won't take no for an answer "where his BonBon is concerned."

# Wai Napolo Presents: Etc.

Etcetera was the theme of this year's Wai Napolo show which was held on April 25th and 26th. Highlights of the show included the "Senior Dolphin Chain", "March", and "The Roaring Twenties". "March", a very lively performance, was executed to the tune "Puttin' on the Ritz". Kathy Nickel commented on the chain by saying, "It is one of the hardest stunts and to execute it well takes a lot of practice. Julie Smith did a fine job in leading the chain." A big difference between the 1986 show and other years' shows was that there was no boys' comedy act. The reason for this, president Michelle Solnosky guesses, is because of Mr. Lombardo's new "no diving" rule. Even though the comedy acts were not involved, the 1986 Wai Napolo show turned out to be a big success.

-M. Mihalick

Top: K. Lawrence practices to make her solo picture perfect. Above: The show is over, and the girls are finally able to relax! Above Left: Kim Lawrence and Sherry Jaworsky practice their duet. Above Middle: Julie Smith and Kathy Nickel, participate in land practice. Left: Jackie Hsu and Jean Chen participated in the Cultural Fair, helping the Euclid students learn more about the different cultures around the world.

# They Ran A Great Year!

This season the boys were keyed up over their undefeated indoor season. In their first, meet the Panthers faced much stronger Walsh and St. Joes teams. The boys entered the meet with high hopes. After the dust had settled, Euclid bowed to Walsh and shared second with St. Joes. The only Greater Cleveland Conference loss was handed to the Panthers by rival Mentor. In relay meet competition, the Panthers came up short of victory on all six occasions. The Panthers entered the G.C.C. Championship meet tied for first with Mentor. Euclid placed a disappointing third in the meet, taking second in the G.C.C. The Panthers took third in districts. At regionals,

Euclid faced a terrible setback by sending only one person to State. Chad Ramlow advanced in the pole vault. Larry Brooks faced stiff competition in the 100 meter high hurdles and failed to advance to State. Marty Tomasi made it to regionals in the 3200 meter run. At Austintown, Marty faced 100+ degree temperatures on the track. With 700 meters left, Marty passed out from heat exhaustion. The boys put in great effort at practices, but just could not advance further than regionals. Next year though, the boys will be more formidable because many key athletes will be returning.

-John H. Day

Joshua Ford clearing the low hurdles.

Chad Ramlow, who went to State for the pole vault.

John Flowers stretches out before a meet.

Joshua Ford finishes a tough race.

Varsity Row 1: Chad Ramlow, Pat McLaughlin, Larry Brooks, Marty Tomasi, Greg Mata, Carl Cickavage Row 2: Al Kucmanic, Denny Coy, Brian Wicks, Joshua Ford, Roger Hoffman, John Rackar, Chuck Bauck Row 3: Reginald White, Jeff Davis, Eric Eyman, John Flowers, Rob Carlson, Martin Risko, John Day, Bill Fischer Row 4: Xavier King, Jim Orndoff, Eric Berry, Joe Vehar, Jeff Grigsby Row 5: Coach R. Ramlow, Scott Smith, Don Craig, Mike Thompson, Ray Rhone, Coach L. Tomasi Row 6: Rich Brewer, Jamal Allen, Mark Smith, Bob Bukovac, Jack Coyne

Freshman track team? There is one? Yes, and this season the team was quite impressive. In achieving their 7-1 record, four school records were set. The records were set in the 1600m relay, the 400m relay, the 1600m run and the high jump. The Baby Panthers were handed their only loss at the hands of, who else? a Mentor team. Mentor Shore beat the freshmen by seven points. In the Baby Panthers' seven victories, their win margin was no less than twenty points. In the Euclid Invitational, the freshmen placed first out of eight teams. They scored 108 points out of a possible 403 points. This year's top five point scorers were: Jim Mixon, Edwin Powers, Ron Slogar, Lee Taurman and Jim Bell. Many freshmen practiced with the varsity team, which showed that the Baby Panthers have guts. Next year, the freshmen move up to the major leagues, varsity. They should fare well.

# Burning Up The Track

## Euclid Sends Six To State

The 1986 Girl's Track team ended another successful season with an overall record of 8-1. Under third year head coach Pete Schwenke the Pantherettes finished 7-0 in the conference and clinched their third straight conference title by dominating the meet with 171 points to second place 81, while winning twelve of sixteen events.

Not only did the Pantherettes score well in duel events, they also dominated many of the relay meets as well, by placing either first or second every time. The Lady Panthers were champions at Medina, Mentor, and Districts

while registering runner-up finishes at Ranger, Bay and Ned Weingart relays.

The Pantherettes worked hard all year practicing to do their best, and kept improving each meet in hopes of being able to participate in the O.H..S.A.A. state meet in Columbus. Eventually, all the hard work paid off as the Panther squad won their districts and advanced to regionals in eight different events. Advancing further were K. Maroli (discus), T. Renshaw (shot put/discus) and K. Marvin, A. Bell, E. Kocjan and A. Montiejunas (2 mile relay). All six individuals were then able

to finish in the top ten, while having two events score; Maroli placed seventh in discus, Renshaw fifth in shot/discus and Marvin, Bell, Kocjan and Montiejunas fourth in the 2 mile relay, while also breaking the school record by eight seconds. Overall, the team was able to share its success and also have fun. However, the best part is that almost everyone will be returning next year to hopefully win a forth straight conference title, and do better than they ever did before.

# Not Much Racket On The Court

The 1986 Euclid High School tennis team had a disappointingly mediocre season. The team was plagued with absences of key players throughout the season. The best Euclid player, Mike Miheli, missed half of the matches with eligibility problems. Dave Tressler, one the of the teams' best doubles players, missed the end of the season due to "personal reasons."

On the bright side, though, was the outstanding and courageous play of the rest of the varsity squad. Rob Bran-

dich, playing number one and number two, finished with a record of 11-6 including two district wins. Tony Capuzzo and Ken Lux also did well in singles. Arman Ochoa played singles at districts and came up with two upset wins.

The doubles teams throughout the year were made up from combinations of the following players: Jim Bowdouris, Scott Niemiec, Gary Pinta, Dave Tressler, Ken Lux and Arman Ochoa. In the districts, the team of

Bowdouris and Lux won their first match, while the team of Pinta and Niemiec were eliminated in their first match.

Coach Alex Dzerowicz looked on the bright side from the beginning of the season. He felt that the team played well considering the fact that he had no lettermen returning and had seniors playing their first year of tennis.

# All Baseball Teams Have Winning Season

The Varsity Baseball team completed one of the strangest seasons in Euclid's proud baseball tradition. It seemed as though coach Paul Serra and his assistants, Jeff Hartman and Ray Fisher, had placed the team on a roller-coaster and pulled the lever.

Led by All-State third baseman, Dana Gollner, Matt Ospelt, and Tom Lewin, the team's tri-captains, the team began its climb in late March. Winning their first three games, the Panthers left Euclid for their annual Spring Trip.

In Columbus, the Panthers suffered their first defeat, at the hands of Columbus DeSalles. However, they reprised themselves the following day, in perhaps the greatest offensive display in Euclid baseball history. Before the day had ended, the Panthers had

pummeled host Lancaster 28 to 6 on 22 hits.

When they returned, the Panthers continued their winning ways with a string of victories, highlighted by a 15-5 drubbing of Benedictine. Unfortunately, after this, the roller-coaster of success seemed to begin its downward trend, and the Panthers saw their record drop to 14-8.

The goal the team had set when conditioning had begun in late January was the State Title, and as tournament time approached, they once again began to climb to success. Once again, the high powered offense returned, and the Panthers put together a string of eight victories. This included the Sectional Title and capturing second place in the GCC before falling victim to Stow 2-1 in the District Semi-Finals.

Although the team did not achieve its goal of the State Title, they posted a 22-9 mark and averaged an astounding 8 runs per game. As a team, the Panthers pounded out 271 hits, including 15 homeruns and a .304 team batting average. They outscored opponents 245-125 and had to be the strongest offensive ball club in the recent Euclid High School history.

As a graduating senior and part of this team, I am proud of what we accomplished this season and hope that we (the seniors) have instilled in the underclassmen, the proud tradition of Euclid High School Baseball. Good luck you guys, we'll miss you.

# Softballers Second In GCC

With an overall record of 22-6, the '86 Panther varsity softball team, coached by Chet Nolan, had a good season, finishing second in the GCC, losing to South and North. The girls this year finished fifth out of twenty-nine teams in the North East Ohio Tournament. The offensive leaders were Meme Vencel, Terri Sopko, Danielle D'Amico, and Jaqui Vanah. Some of the defensive leaders were Danielle E'Amico, Terri Sopko, Lisa Germano, and Meme Vencel. Next year the girls will practice hard in pre-season for a

chance to regain the GCC title.

This year the J.V.'s had a rough season. Their record was 11-10 and Coach Maxson was glad that they finished just above .500. The J.V.'s dropped a few close games due to errors and poor hitting. The freshman team, coached by Mr. Rezzolla, finished their season 4-6. The freshman team lost a few members because they were needed on the Junior Varsity team. Hopefully all three teams will have better seasons next year.

# Student Leaders

On April 25, 1986 the National Honor Society breakfast and induction took place. There were many changes that occurred this year. First of all, the new members found out that they "made it" the night before. Inductees were phoned by the old members and told they were being picked up early the next morning to be brought to school. In the cafeteria, waiting for them, was a delicious breakfast of sausage, scrambled eggs, pastries and more! The new and old members were given flowers to wear during the school day and later, eighth period, the induction began. In addition to NHS officers, Bill Johnson, Sonya Sezun, and Tom Lewin speaking, President Rose Gubitosi orated and welcomed the honored guest, Governor Richard Celeste. The Governor congratulated the 28 new senior inductees and the 30 new junior inductees for their scholastic and other achievements. Mr. Manburg, the advisor of NHS, and the old members did a fantastic job on the '86 NHS ceremony. Senior member Bill Grubb said, "I think the breakfast was a good idea because, unlike previous years, you didn't have to wait all day to find out if you were accepted or not."

# Academic Achievers

Our outstanding scholars this year were honored on Thursday May 1, 1986 at the Scholastic Achievement Banquet. In previous years, the banquet has taken place at TRW's cafeteria, but because of the possible shut down of the plant, the event was held at

Euclid High. After a wonderful meal of chicken kiev in the cafeteria, the plaques and other awards were presented in the auditorium. The Brown Award was given to Claudia Cummings, the Bausch & Lomb to Ted Karnak and seniors, Sonya Sezun and

Marty Tomasi received the King Award. Lastly, the prestigious Phi Beta Kappa award went to Rose Gubitosi. Her parents were very proud of her.

On Wednesday, May 21 Euclid High School presented service and citizenship awards to deserving students. The assembly took place third period and was preceded by a performance by the Varsity Chorale. Awards were given by grade level principals and multiple awards, presented by Patricia O'Breza, were given to: James Stipkovitch, Angie Gamber, John Kribbs, Jeff Slattery and Darlene Davis, three awards each; Darlene Shei, four awards; and the Senior Citizenship Award was given to Darlene Shei with a total of six citizenship awards during her high school career.

-Claudia J. Cummings

# Battle Of The Bands

On May 2, 1986 Euclid High School's first battle of the bands or "Prom-Aid" took place. Organized and presented by the Senior Class Cabinet and some of Euclid's finest musicians, the show raised funds to help out with prom. Starting the show was "The Beatnix" with a jammin' tune called "Radar Love" sung by Pat McLaughlin. Drummer Carl Cickavage said, "The crowd was great. I wish we could have played more songs of even had another show." Next came the band "Fare Warning" who added to the electricity of the night. The third group was the "Guess What" with our own State Championship Wrestler, Jack DeBoe, on drums. And last, but definitely not least, was "Agressor." Talented musician, senior Steve Razayeski or "Raz" performed a very professional guitar solo which put a finale on the show and left the audience satisfied.

# The Best Of Times

## EUCLID HIGH SENIOR PROM

"It was the best of times" said senior Jean Chen when describing this year's Senior Prom. This year's Prom was held at the Di Borally Party Center like last year's. Seniors were able to eat their dinners at the Casa Di Borally and then dance and have their pictures taken at the Villa Di Borally afterwards. Students began arriving in their limosines at 7:00 pm and continued to arrive throughout the evening. Mr. McGuinness commented that "the students certainly look very nice tonight." After the prom the students went to the Eastgate Coliseum where they enjoyed the many activities available. All in all it as an experience that they will never forget.

# Getting Ready To Begin 442 Seniors Debut At Commencement

On Tuesday, June 10, 1986 at 7:00 pm four hundred forty two seniors received their diplomas at the Front Row Theater in Euclid High School's Forty First Commencement. It was a moving ceremony that will be remembered by all who attended. The musical entertainment was supplied by the Symphonic Wind Ensemble and the Senior Varsity Chorale. Salutatorian, Jean T. Chen welcomed the visitors

while co-valedictorians, Rose Anne Gubitosi and Darlene C. Shei talked about the class. Principal, Mr. Robert A. Lombardo talked about the many accomplishments of this year's seniors. Superintendent of Schools, Mr. James A. Wilkens gave a very moving speech about the challenges that these graduates would be confronted. The diplomas were presented by School Board members, Mr. Daniel P. Flowers, Mr.

Walter N. Schwegler, Mr. Edward L. Carpenter Mr. George J. Mazzaro and Mrs. Shirley M. Nurmi.

Top honor students received gold sashes with their diplomas and the girls all received yellow roses after receiving their diplomas. The ceremony was very dignified and one the seniors could be proud of.
